- **West Melbourne – Close to Flagstaff Station**
- **Full Time - Fixed Term 12 Months**

Greyhound Racing Victoria (GRV) is the statutory authority responsible for regulating, conducting and promoting greyhound racing in Victoria, a sport that annually generates around \$400 million in economic activity and over \$2 billion in wagering and directly involves over 15,000 people.

GRV is committed to attracting, selecting and retaining the best calibre of people to achieve the highest level of performance and behavioural standards required for each position. This will help GRV to professionally regulate, conduct and promote greyhound racing and welfare in Victoria with integrity and care, and to ensure an engaging, ethical and sustainable sport.

GRV has developed a draft Participant Support, Education and Development Strategy and implementation plan which, through the identification and use of a suite of racing, welfare and integrity targeted initiatives, will seek to enhance participant skills and knowledge in these areas.

GRV's Participant Support, Education and Development Coordinator (Coordinator) will work with GRV's leadership team to review the draft strategy and implementation plan in line with GRV resources and coordinate the implementation of the strategy.

The Coordinator will also support the delivery of content through various channels (i.e. learning management system, face to face, third party delivery, websites and written collateral) and act as advocate for participant support and education across GRV, building awareness and engagement with these initiatives within the industry.

The Coordinator will develop strong relationships with key stakeholders, including the establishment of a participant education and support reference group.
