

## eDog Tracker

The eDog Tracking service will allow you to track a greyhound once a meeting has been box drawn. You can start tracking a dog from your **My Dogs** tab or by searching for the greyhound.

To search for a greyhound, then track it:

To search for a greyhound, then track it:

1. Log in to FastTrack and locate the **Greyhounds** panel on the right.

2. Enter a greyhound name and click **Search**.

You will see a list of greyhounds with the one you want near the top.
