CHAIRMAN'S INTRODUCTION

Welcome to the 2015 Ready 2 Race Greyhound Sales

I am very pleased to welcome you on behalf of Greyhound Racing Victoria's (GRV) Board and team to the 2015 Ready 2 Race (R2R) Greyhound Sales. Now in its fourth year, R2R has grown to become one of the highlights of Victoria's greyhound industry calendar.

It provides a great introduction to the exciting world of greyhound racing which directly involves over 20,000 people in Victoria as owners, trainers, breeders, catchers and club and race day staff. Our state's greyhound industry is now worth over \$300 million with more than \$40 million in prize money won annually in over 1100 races around the State.

This year, over 100 greyhounds are up for sale at R2R, all ready to race and eligible to run in speciality races for those bought through R2R. And the industry's renewed focus on animal welfare means there is more support, advice and options for owners throughout their greyhound's racing and career and beyond.

I would like to thank all the breeders, owners and trainers for their great commitment to the R2R series and the Victorian State government for its support and I wish you every success in finding the greyhound that will make you a proud owner and member of a fun, friendly and thrilling racing code.

Bernie Carolan

Chairman
Greyhound Racing Victoria

READY 2 RACE SALES: GAME OF PATIENCE AS FIRST TIME OWNERS GET THEIR REWARD

By Andrew Copley

Ready 2 Race greyhound Big Hutchie won his first race at Shepparton on August 31, much to the delight of first-time owners Bryan Carman and Russell Woods.

A litter brother to the ill-fated staying star Calder Cannon, Big Hutchie (Bekim Bale - Premier Mojo) put his injury woes behind him to take out a Novice Grade 7 race over the 650m trip at his 11th start.

"We bought him for \$1,300 at the Ready 2 Race Sales last November after seeking advice from trainer Scott Stefanos. A friend put us on to Scott, who had a little bit of inside mail on the litter, and when we bought him so cheap we were rapt," Carman said.

"I probably got my hopes up a bit high early doors like a lot of first time owners probably do, but it's been an exciting journey watching him race so far even though it has taken a bit of time for him to notch his first win."

"He's had a few injury troubles and has spent time on the sidelines, so I came back to earth pretty quickly and I've had to learn to be patient. I had actually reached the point where I thought maybe he didn't have it in him to win a race so it was an amazing feeling when he finally did it."

Big Hutchie, who is named after AFL identity Craig Hutchison, has a home waiting for him once he retires.

"He'll be coming home to live with my family and I in Epping once he retires," Carman said. "When I first told my wife (Teresa) I was buying into a greyhound she wasn't too happy about it, but now she's even more excited than I am."

"Our daughters (Olivia, 8 & Laura, 5) have met Big Hutchie a couple of times and we've been to the track to watch him race as a family and we've obviously seen him run on TV as well. We all get such a buzz out of watching him race and have fallen in love with the idea of bringing him home to live with us once his racing career is over. Buying him is one of the best things I've ever done."

Greyhound Racing Victoria strongly encourages anyone considering buying a greyhound to give the greyhound's long term welfare the utmost priority, ie. adopting your greyhound as a pet once he/she retires from racing or, at the very least, entering him/her into the Greyhound Adoption Program.

Greyhounds are renowned for their placid nature and they don't require a lot of exercise. For more information about greyhounds as pets visit gap.grv.org.au.

OFF THE BENCH INTRODUCE 30 NEW OWNERS LIVE AT READY 2 RACE 2015

Off The Bench, starring Craig Hutchison, Liam Pickering and Dr Turf will be broadcasting live from the Ready 2 Race sales from 9:00am - 12:00pm. Off the Bench is broadcasted on 12 stations across Melbourne, regional Victoria and Broken Hill. Each week, the show delivers listeners the weekly news and hot topics in a jovial, tongue in cheek tone while interacting with listeners across the morning through the talk back line or social media platforms.

Greyhound Racing Victoria has had a long standing partnership with Off the Bench. This year will see 30 Off the Bench 'Dr Who' competition winners attend the Ready 2 Race sales to purchase their prize, a share in one of 4 greyhounds.

Make sure you stop by to say hello to the Off the Bench team!

CELEBRITY GREYHOUND AND READY 2 RACE PIN-UP DOG KISS ME KETUT HAS BEEN RETIRED.

GRV's annual Ready 2 Race Sales began in 2012 - and while the series has produced a significant improvement in the overall depth of quality each year since then - there is no doubt that Kiss Me Ketut remains the best greyhound to have graduated through this increasingly popular pathway.

Kiss Me Ketut (KMK) is now heading to stud following a racing career boasting 24 wins and the same number of placings from 80 starts, and earning a tad over \$250,000 in prize money. He was a regular in heavyweight feature races throughout his career, making the finals of the Group 1 Melbourne Cup and Group 1 Australian Cup, while his biggest victory was in the Group 1 Brisbane Cup.

Owner trainer David Burnett reflects on his greyhound's magnificent career.

Q: Kiss Me Ketut remains the number one pin-up boy of GRV's Ready 2 Race Sales. What are your fondest memories of his career?

DB: It's hard to pin point a highlight as he gave us so many. Probably winning the Group 1 Brisbane Cup in 2013 and then running a luckless third the following year. Having Ketut (Kadir) himself there made it an even more special occasion. KMK was marvellous to us. My partner Nicole and I raced him in nearly every

state of Australia making group final after group final. We were always on a high. He made seven Group 1 finals including the Australian Cup, the Melbourne cup, the Maturity, the Adelaide Derby and the Temlee. He ran 3rd in the WA derby when only a baby and, of course, if it wasn't for the R2R sales I would never have had this opportunity. He finished with over \$250,000...how terrific is that?

Q: You bred KMK, sold him, and then bought him back for \$21,000 at the R2R Auction. How much were you prepared to pay for him that day?

DB: I had dispersed all my greyhounds in 2011 after going through a marriage break up. Inside knowledge of how KMK broke in and the option of getting back into the sport stimulated me into going to the auction and purchasing him. There was a limit that I was prepared to spend, but we blew that and purchased him anyway. I certainly haven't regretted it.

Q: Was it your idea to name him Kiss Me Ketut?

DB: Yes it was, I have always loved a dog with a different name.

Q: What was it like training a greyhound that became a genuine celebrity due to his connection to Ketut from the AAMI TV commercials?

DB: Apart from the Rhonda jokes....The familiarity and humour of his name evoked many a conversation and laugh, as well as the old omen bet by punters - rarely did we get any odds! Photo shoots with Ketut, (AFL star) Joel Selwood and co. saw him in the spotlight a lot. AAMI sent us boxes of t-shirts with 'I love Rhonda', 'Like a sunrise' and 'Kiss me Ketut' printed on them, which was great.

Q. KMK's younger brother Ketut's Keput was sold at the R2R Sales the following year. Did you sell him and how did he fare in his career?

DB: Because of my limited kennel space, living seven stories off the ground in the city of Geelong, we intended to sell Ketut's Keput if he attracted \$10,000, but it wasn't to be, so we kept him. Being a brother to Group 1 dog Mystic Apple we couldn't let him go for a song. He has gone on to win over \$32,000.

Q. What advice would you give anyone looking to buy a greyhound at the R2R Sales? What should they look for?

DB: The best advice I can offer is to make sure you view the replays available on GRV's website following the heats. Look at the split times and run home times as they tell you plenty. Also, take considerable notice of the pups age as the younger ones will always improve.

Q. What are the plans for KMK now he has retired?

DB: He is a couch potato at my apartment and has a home for life. I have collected a few straws and have them available FREE OF CHARGE or happy to do a natural service for people that have a bitch on season, just to get some pups of his on the ground.

Q. The stud game is a very competitive industry. What are some of the factors in KMK's favour?

DB: KMK is by Bombastic Shiraz and has Irish blood on his dam side through Spiral Nikita. His grand dam is the mighty Hall of Famer, Flying Amy, so he is terrifically bred. His dam, Spiral Siyan has produced multiple Group 1 dogs in KMK and Mystic Apple, plus other city class dogs like Quick Succession (won \$90,000) and Dodge The Batten (won \$50,000). Her Brett Lee litter has won 61 races between them including Sofa So Good, who is still racing at five years of age. Spiral Siyan has been a magnificent brood bitch and history shows that strong damlines keep on producing.

READY 2 RACE SALES – YOUR CHANCES OF SUCCESS REVEALED

By Andrew Copley

Are GRV's annual Ready 2 Race Greyhound Sales a sensible option for people looking to purchase a greyhound to race?

Of course everyone buying a greyhound hopes it's their winning lottery ticket, and people needn't look any further than the 2014 R2R Sales for examples of great value buys such as Sisco Wake and Cut Loose Max, who have both already returned around seven times their purchase price with plenty of racing still ahead of them.

Among the best aspects of the Ready 2 Race Sales is that there is a strong chance that your greyhound will actually compete in a real race, and that the waiting period from the time you make your purchase and the time your dog races is often a matter of a few weeks and rarely longer than a few months.

Here are some important statistics to emerge from the 2014 Ready 2 Race Sales, held last November at Bendigo:

- No less than 92.45% have gone on to compete in at least one race (compared to 87.95% from the 2013 R2R Sales).
- No less than 78.44% of greyhounds have gone on to win at least one race (compared to 61.44% from the 2013 R2R Sales)
- No less than 26.4% have raced at a full stakes metropolitan meeting (compared to 15.66% from the 2013 R2R Sales).

On average, greyhounds sold at the 2014 R2R Sales were purchased for \$5,804. In the first 11 months since the sales they will have raced 18 times, won 2.7 races and won marginally more than the purchase price back in prize money (in most cases half of prize money earnings will be kept by the trainer as trainers fees). It is reasonable to assume that, in most cases, your greyhound will have approximately another 12 months of racing ahead before retirement.

So looking at the R2R greyhounds as a collective from a financial perspective, you basically pay for what you get. But money aside, the excitement and togetherness that racing a greyhound can bring is, in reality, immeasurable.

ENTERING YOUR GREYHOUND INTO GAP AFTER RACING

The Greyhound Adoption Program (GAP) is an initiative of Greyhound Racing Victoria (GRV) dedicated to finding homes for greyhounds that are no longer considered racing prospects, and educating the public about the gentle nature of the breed.

Established in 1997, the program has found loving homes for thousands of greyhounds. With our strong ongoing commitment towards animal welfare our mission is to re-home as many greyhounds as we can, into a happy home where they will become part of the family.

For dogs purchased from the 2015 R2R Sale, GRV will be waiving the GAP Entry Fee.

It is important to us that greyhounds are given the opportunity to live out their days on a couch as a pet when they retire from

racing. If you don't have the facilities to keep your R2R greyhound as a pet at the end of its racing career, please consider entering your greyhound into GAP so that we can find them a wonderful new home.

Head to the GAP webpage at gap.grv.org.au, to learn more about the entry process so you can plan ahead for the time when your R2R greyhound retires from the excitement of racing.

- (b) Full payment must be made to GRV before the vendor releases the greyhound.
- (c) Payment shall be made in the form of a personal cheque made out to 'Greyhound Racing Victoria', eftpos, credit card, and cash payments will also be accepted.
- (d) Within a reasonable period after received funds have cleared, GRV will remit the purchase price to the vendor, less the 10% commission from the total sale price deducted in accordance with clause 3.3.
- (e) Title shall not pass to the purchaser until payment is made in full. The greyhound will be released to the purchaser once the purchaser has paid for the greyhound. The purchaser must arrange satisfactory transportation of the greyhound.
- (f) In the event that payment under clause 3.5(c) is made by personal cheque and that personal cheque does not clear in 3 business days:
 - (i) the vendor will be immediately entitled to demand the return of the greyhound;
 - (ii) within 24 hours of demand, the purchaser must:
 - (a) make alternative arrangements for payment of the greyhound on terms satisfactory to both GRV and the vendor (in their sole and absolute discretion); or
 - (b) return the greyhound to the vendor; and
 - (iii) the purchaser will be liable to the vendor for any loss.

3.5 Risk and liability

- (a) Risk passes to the purchaser at the fall of the hammer.
- (b) Upon the fall of the hammer all responsibility for expenses, injury and forwarding instructions become that of the purchaser. Each lot shall be at the risk of the vendor in respect of any damage or injury, whether by disease, accident or otherwise, or whether caused by negligence of the

auctioneer, unless such lots have been sold, in which latter case such lot shall be at the risk of the purchaser in all such respects from the acceptance of his bid or offer by the vendor.

- (c) The auctioneer and GRV do not accept any liability for the Greyhound. The Vendor and the Purchaser indemnify the auctioneer and GRV from any loss arising out of the Ready 2 Race Series and Ready 2 Race Auction.

3.6 Warranties, soundness of Greyhound, right of return & movement of purchase

- (a) The Vendor warrants that:
 - (i) the description, pedigree and all other information on the nomination form was correct at the time of nomination;
 - (ii) he or she has good title to the greyhound and is entitled to sell the greyhound; and
 - (iii) there has been no breach of the Australian Greyhound Racing Rules (GAR) or GRV Local Racing Rules (LR) in relation to the greyhound.
- (b) Unless otherwise announced at the auction, there is no guarantee of any kind as to the soundness, condition and quality of a greyhound. All greyhounds will be vetted prior to racing in the heats and finals.
- (c) Each lot is sold with all faults, if any.

3.7 Auctioneer

- (a) The auctioneer reserves the right, without giving any reason thereof, to withdraw any lots before or during the sale.
- (b) The auctioneer is to be considered the agent merely between vendor and purchaser and in all disputes arising from defect of title, wrong description, pedigree, warranty or otherwise, the purchaser and vendor must adjust the matter between themselves, and no lot is to be returned to the auctioneer. The auctioneer shall be under no liability for the loss, if any incurred by the vendor by reason of the failure on the part of the purchaser to complete his purchase. The name, description and address given by the vendor will in all cases be furnished to the purchaser if required, and in the case of any dispute the remedy of the buyer shall be against such vendor only and in case or under any circumstances against the auctioneer, who is to be regarded for all intents and purposes as agents for a disclosed principal.
- (c) The description, either as to quality, pedigree, engagements or otherwise for any lot offered is supplied by the vendor who alone is responsible for its accuracy and the auctioneer shall not be liable for any error in such description.

3.8 Withdrawing Greyhounds

Greyhounds can be withdrawn from the sales if there is a genuine reason. GRV will determine if a suitable explanation has been provided for a withdrawn sale. A \$100 penalty will be issued to nominators who do not provide an acceptable reason to withdraw.

4. GENERAL

4.1 Amendment

- (a) GRV may amend these terms and conditions at its discretion and at any time.
- (b) The terms governing each Ready 2 Race Series event and/or Ready 2 Race auction shall be the terms published on GRV's website and publicly available on the day of the Ready 2 Race event and auction.

4.2 Cancellation

- (a) GRV reserves the right to cancel any Ready 2 Race Series event and/or Ready 2 Race auction due to unforeseen circumstances.
- (b) GRV will endeavour to notify nominators, trainers and vendors of any cancellation under clause 4.2 (a).
- (c) GRV accepts no liability whatsoever in the event that any Ready 2 Race Series event and/or Ready 2 Race auction is cancelled under clause 4.2 (a).
