GRV Media Release – GAP day hits Shepparton for the first time

The first Shepparton Greyhound Adoption Day will be held at the Shepparton Greyhound Racing Club on December 2, 2018 from 11am to 1pm.

It is expected that 30 greyhounds will find forever homes at the event hosted by GRV's Greyhound Adoption Program (GAP).

This is the last adoption day for 2018 with hundreds of greyhounds adopted through the GAP so far this year.

The day isn't just to adopt greyhounds. People are welcome to come out if they are thinking about adoption and would like more information. It is a great opportunity to talk with GAP staff and interact with the GAP's friendly greyhounds.

The greyhounds up for adoption have passed the GAP's process and are ready to go home with their new families.

This is a free event, but registration is required to attend the Adoption Day. If you plan to adopt on the day, you will need to fill out the adoption application which can be found on the [GAP website](#).

To register for the greyhound adoption day or to find out more about greyhounds as pets, go to gap.grv.org.au

Please note, it costs \$75 to adopt a GAP greyhound and only Mastercard or Visa payments are accepted at Adoption Day. We cannot take cash payments.

WHAT: Greyhound Adoption Day

WHERE: Shepparton Greyhound Racing Club, 7580 Goulburn Valley Hwy, Kialla

WHEN: Sunday, December 2, 11am-1pm.

<Ends>
