Community Event

BECAUSE COMMUNITY MATTERS!

What is The TAB Great Chase?

First run in 2003, the TAB Great Chase community program has gone from strength to strength and continues to support many organisations within the disability sector throughout country and metropolitan Victoria. It combines a great day or night out at the greyhounds with an opportunity to raise money for community groups.

The Great Chase series is all about community engagement and has seen more than \$500,000 donated to community groups over the past decade and is seen as a significant community initiative that is embraced by both clubs and the groups alike.

How does it work?

Greyhound racing clubs all around Victoria hold a TAB Great Chase Community Event once a year to provide community groups, in regional and metropolitan Victoria, with the perfect opportunity to raise funds for their group and give those they work with a unique and fun day out.

To get your organisation involved, simply register your details via your local greyhound racing club/venue or online at grv.org.au.

Once registered, your local greyhound club will be in contact with your group to establish the day and/or outing structure for your community group to start planning.

What you get on the day;

- Free catering for your entire group
- Complimentary merchandise pack
- An opportunity to meet the stars of the show – the greyhounds
- The chance to cheer home your very own racing greyhounds for virtual points.

At the TAB Great Chase Community Event groups will be randomly paired with

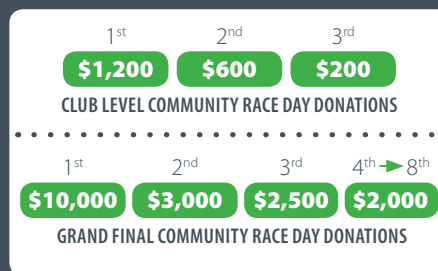

greyhounds racing throughout the day and these greyhounds earn the community groups virtual points depending on the race results. Groups that have earned the most points at the conclusion of the day will receive the following donations for their organisation: 1st Prize \$1,200, 2nd Prize \$600 and 3rd Prize \$200.

New to 2015, each community group that pre-registers, attends their local community day and further attends the final day at the Meadows will be given the opportunity to enter the final draw for a possible share of \$25,500 in association with the G2 Great Chase Final. *Conditions apply.

Who can participate?

If you have ever wanted a fun and engaging day out for your group, then this is for you. The TAB Great Chase is open to any organisation that cares for the intellectually or physically disabled members of our community. All clients and carers will be encouraged to attend their local community race day out and enjoy such a rewarding day out full of smiles and entertainment.

Community groups will receive complimentary merchandise packs, catering at their local club and the grand final at the Meadows plus the chance to gain in a share of over \$50,000 for their organisation/community group.

How to get involved?

If you haven't signed up already, it's as easy as 1, 2, 3, 4.
