

POSITION DESCRIPTION

Position Title: Industry Veterinarian	Department: Greyhound Racing Integrity Unit (GRIU)	
New Position Change to Existing Position	Date: Oct 2019	
Reports to (position):	Chief Veterinarian	
Positions that report to this position:	Nil	

PRIMARY PURPOSE OF THE POSITION:

The role of the Industry Veterinarian is to provide regulatory veterinary services to the Victorian greyhound racing industry, and assist the Chief Veterinarian in implementing the strategic direction, and management of the provision of these veterinary services across the industry.

The responsibilities of this position will encompass (although not be strictly limited to):

- Act as an on-track veterinarian at greyhound race meetings throughout Victoria, independently, and in the best interests of the welfare of greyhounds including advising Stewards of their suitability to race and providing any necessary treatment.
- Provide timely and accurate advice to the Chief Veterinarian to guide the continuous improvement of the veterinary services team, including assisting in the efficient and effective management of the day-to-day functions of the veterinary services team.
- Assist in the conducting of a systematic program of out-of-competition sampling for prohibited substances in greyhounds (within defined budgets).
- Perform animal welfare visits and provide direction to Authorised Officers and participants to ensure the health and welfare of all greyhounds.
- Professionally present authoritative expert evidence to inquiries and appeals conducted including those conducted by GRV Stewards, the Victorian Racing Tribunal, Victorian Civil & Administrative Appeals Tribunal, and other courts or regulatory bodies.
- Contribute to the research and development of the organisation's policies and procedures regarding greyhound health and welfare.
- Contribute to research and analysis on specific issues towards the preparation of Board or sub-committee discussion papers or reports, and GRIU media releases or articles.
- Contribute to educational and training initiatives for industry participants.
- Develop and mentor GRIU staff to improve their understanding of animal welfare and related integrity matters.

The Industry Veterinarian will be required to perform these duties throughout the state of Victoria including performing duties at race meetings that will require after hours work, work on weekends, work on public holidays and overnight stays, shared across the veterinary services team.

SCOPE:

Greyhound Racing Victoria (GRV) is the statutory authority responsible for regulating, conducting and promoting greyhound racing in Victoria, a sport that annually generates around \$400 million in economic activity and over \$2 billion in wagering and directly involves over 15,000 people.

Our vision is "Victorian Greyhound Racing is a vibrant, entertaining and thriving sport with animal welfare at its heart" and GRV is committed to attracting, selecting and retaining the best calibre of people to achieve the highest level of performance and behavioural standards required for each position. This will help GRV to achieve its mission "to professionally regulate, conduct and promote greyhound racing and welfare in Victoria with integrity and care, and to ensure an engaging, ethical and sustainable sport."

The integrity of the sport and the welfare of the industry's number one stakeholder, the greyhound, are significant components of the strategic priorities of GRV. The Industry Veterinarian plays a pivotal role in ensuring the sport is conducted ethically through an effective regulatory environment that includes participant education and support, to drive positive animal welfare outcomes at all times.

FREEDOM TO ACT / DECISION MAKING

Exercise judgement and initiative in prioritising and resolving day-to-day issues in accordance with animal health and welfare requirements, GRV operational guidelines, GRV Rules of Racing and other policies or regulations.

Provide high quality, consistent veterinary services, ensures integrity, transparency and evidence-based best practice care.

Prepare high quality, independent veterinary reports, analyses, briefings and other forms of written advice as requested for the GRV Board, Integrity Council, Executive and Chief Steward.

Examine greyhounds and advise Stewards regarding their suitability to race.

Making clinical decisions rapidly and under scrutiny.

Perform the duties of a Veterinary Practitioner in accordance with the *Veterinary Practice Act* 1997.
