Greyhound Monthly Victoria (GMV) magazine is produced by Greyhound Racing Victoria (GRV), the governing body of greyhound racing in this state.

GRV strongly encourages all Victorian greyhound racing participants - in particular breeders and trainers - to take the time to read each issue of GMV to ensure they are across relevant key issues.

Each edition of GMV aims to provide an overview of key happenings in relation to Victorian greyhound racing that occurred during the previous month, as well as promoting significant and relevant upcoming activities and events.

If you receive Greyhound Monthly Victoria via post but only read it on-line, GRV asks that you please consider the environment and notify us via email (tmaagma@grv.org.au) requesting to be removed from our mailing list. You can also request to have GMV emailed to you via the same email address.

It is GRV's goal to have each edition of Greyhound Monthly Victoria available on-line at grv.org.au on or before the last day of the previous month, and arriving in letter boxes by the 10th day of each month.

CEO's Update

Welcome to the first edition of Greyhound Monthly Victoria for 2020 and to what promises to be another extremely busy year for our sport in Victoria. Before I discuss what's coming up and what GRV will be focusing on in 2020, there's a couple of key points we all need to be aware of.

Firstly, preparing for bushfires. GRV has been working with Greyhound Clubs Victoria to make sure all regional clubs are prepared for emergencies. If you are in a high-risk area, I strongly urge you to have a fire plan in place now, which is also a requirement in the Establishment Health Management Plan (EHMP) under the new Code of Practice. You can visit: www.cfa.vic.gov.au for advice on fire preparedness and contact your local club about locally available services and support. And you should also make sure you're familiar with GRV's recently updated Hot Weather and Transport Policies at: greyhoundcare.grv.org.au/policies-and-guidance.

The second key point is the Code of Practice for the Keeping of Racing Greyhounds which came into effect at the start of this month. It's very important in terms of both greyhound welfare and the sport's reputation that all participants are compliant with the Code. This includes ensuring your greyhounds have a current C5 vaccination from 1 January 2020 and completing your EHMP if you haven't already done so. To help participants who still need assistance with meeting their compliance obligations, GRV have put in place additional resources for the Code Support Line on 1300 144 360 or email: codehelp@grv.org.au. We have also just released an updated Rehoming Package, available by calling GRV on 03 8329 1100 or at: [visiting: greyhoundcare.grv.org.au/rehoming/rehoming-pack](http://visiting.greyhoundcare.grv.org.au/rehoming/rehoming-pack) with all the information and forms needed to make owner transfers for retiring greyhounds Code compliant. And we'll soon be announcing additional support for participants who may need help with Code compliance such as completing their EHMPs.

Looking ahead, for 2020 and beyond GRV will be focused on delivering three strategic priorities: Innovation to Drive Revenue; Racing Safety & Greyhound Welfare; and One Industry.

The first priority is about building the sport's commercial activities to generate more revenue that we can invest industry development, infrastructure and boosting prizemoney and other returns to participants. This will include working with new partners with specialist skills to increase and diversify markets and income streams along with new event and destination promotions.

The Racing Safety & Greyhound Welfare priority will include a 10-year safe racing plan to deliver track and facility upgrades and replacements along with initiatives to encourage and support quality breeding, whelping, education, training and rehoming practices. A big part of this will be working with participants to achieve genuine self-regulation that's consistent with community expectations and builds community acceptance.

And our One Industry priority is about developing a shared vision and set of objectives that connects all participants, clubs and all stakeholders as a strong and unified sport with a truly national approach to industry development and promotion. So, you can expect to see a lot of exciting new initiatives being rolled out this year to keep growing our sport as a vibrant, ethical and sustainable code - one that delivers great entertainment and thrills for a growing base of fans and supporters. And final, I'd like to offer my best wishes to you and your families for the New Year.

Greg Miller appointed to board of Greyhound Racing Victoria

Leading sports and racing administrator Greg Miller has joined the board of Greyhound Racing Victoria (GRV). Minister for Racing Martin Pakula congratulated Mr Miller on his appointment to the board, where he will serve as deputy chair.

Mr Miller brings a wealth of experience to the role.

He has been chief executive of Sandown Greyhound Racing Club since 2010, building the club's reputation and hosting one of the biggest greyhound racing events in Australia each year – the Melbourne Cup.

He will step down from that role at the end of the month.

Prior to his time at Sandown, Mr Miller held executive positions with the Richmond and North Melbourne football clubs and earlier in his football administration career, he helped to oversee the move of South Melbourne FC to Sydney.

The greyhound racing industry generates \$500 million for the Victorian economy each year and sustains more than 4,300 full-time-equivalent jobs.

Mr Miller's appointment to the GRV board and as deputy chair is effective from 1 January.

"Greg will bring great expertise and knowledge to the board of Greyhound Racing Victoria," Mr Pakula said.

"His passion for racing and sport generally, and his experience in working as a leader in the greyhound racing industry, will be a real asset."

Greyhound Racing Victoria Chair Peita Duncan said: "Greg has done a tremendous job for Sandown and the wider industry as an executive, and I know he will continue to contribute in a major way now as a board member."

Greyhound Racing Victoria incoming deputy chair Greg Miller said: "I'm excited to be joining the board at this key stage in the industry's evolution and look forward to working with the other board members to further develop greyhound racing in Victoria."

Simple Simon

BY PETER QUILTY

Flying machine Simon Told Helen notched his third group win last month with an unadulterated display of sheer speed in the Group 2 Queensland Derby (520m) at Albion Park.

Employing his trademark catch-me-if-you-can tactics, Simon Told Helen (Box 8) set up a massive lead in the middle stages to ensure the \$40,000 first prize was returning to Victoria.

Simon Told Helen (\$1.35F) defeated local hopes Cooper Dooper (\$31) by two lengths, with Farmor Fearsome (\$26) six and three-quarter lengths away third in a slick 29.65sec.

Trained at Little River by David Burnett, Simon Told Helen also has the G3 Great Chase and G3 Cup Night Sprint 'sitting on the mantelpiece'. He's registered eight wins from 13 starts, with stakes totalling \$154,065.

"I'm stoked for the young pup, he just keeps doing everything right," Burnett told Racing Queensland following the race.

"He's a pleasure to train, and it's a pleasure to have him in the kennels. The owners aren't very happy with the odds they're getting, but they're living with the spoils of winning the race. The week we've had is fantastic and we've got a dog for a long time to come that's going to keep them going."

New Ballarat Distance Challenge

The Ballarat GRC will be hosting a new race aimed at increasing a focus on distance racing in February 2020 (maidens ineligible).

The race will provide three (3) weekly series of preludes on:

- Wednesday February 5,
- Wednesday February 12,
- Wednesday February 19.

With the Grand Finals to be held on Wednesday February 25.

To be eligible for the Grand Finals, greyhounds will compete in as many preludes as trainers wish and determine a 'best run time' over the 660m journey.

The best eight (8) run times will run off in Grand Final A (with reserves) on February 25 worth \$10,000 to the winner.

A consolation Grand Final B race will also be conducted for the slowest 8 run times recorded in the Preludes with a \$3,000 to the winner purse (note no reserves).

Prelude Prize money:

- 1st - \$1320
- 2nd - \$545
- 3rd - \$330
- 4th – 160
- 5th – 8th - \$90

Grand Final A Prize money:

- 1st - \$10,000
- 2nd - \$3,000
- 3rd - \$1,500
- 4th – 1,000

Grand Final B Prize money:

- 1st – \$3,000
- 2nd - \$1,000
- 3rd - \$500
- 4th - \$250

The Ballarat Club are also offering free 660m trials commencing 1st January in the lead up to this new format of distance racing.

Young Henry isn't too sure about this white stuff...

An Aussie grey, in the USA

BY PHIL WEIR

We've heard a few stories of Australian GAP greyhounds heading off to parts elsewhere, so it's only right we can now report on the latest traveller; a six-year old boy called Henry, who has found himself in Warwick, New York.

Henry was adopted at The Meadows in April 2019 and settled into his Melbourne home easily, with parents Marjan and Hugh; but change was in the air.

When Hugh was offered a job in New York State, it was time to move; lock, stock and Henry.

Marjan explains the process. "For moving Henry to the US, he only needed to get a rabies vaccination. No need for quarantine. We used a pet travel company to make sure we had all our t's crossed and i's dotted."

"They sent us the paperwork to fill out, provided a travel crate for Henry and they sent pictures of Henry throughout his journey. Henry travelled from Melbourne to LA, where he had a mandatory 6-hour stopover so he could stretch his legs and have a bite to eat."

"Then he flew to New York City. He got delivered to the Airbnb where we were staying. He quickly did a pee and poo and went straight to bed. The next day he did sleep a lot (but) after that he was his quirky old self again."

By September, Henry was 'an Aussie grey in the USA' (which is also his Instagram account name).

To paraphrase, Marjan's first Instagram post was 'stole their hearts, stole their couch, stole their bed.' Sound familiar?

There have been myriad new experiences. "The house we bought doesn't have a fenced yard, so I use a 40-metre-long leash. That way Henry has a little bit of freedom to sniff around. First time he saw a deer he had no idea what to think. He wanted to chase, as greyhounds do."

"The deer we saw up close (Rudolph?) was a bit of a surprise. All three of us were standing there like deer in a headlight. Just staring at each other. He's used to them by now. I think he sees them as big dogs."

There's also the New York snow. "It's the first time ever Henry witnessed snow. He doesn't know if he likes it yet or not. He'll go out to do his thing, but then runs and hops like a snow bunny to go back inside."

"The other day we took him to the local vet as he was due for his annual vaccinations. And we wanted to know what to look out for here. The vet was very impressed with Henry's "muscle butt" and recommended to have Henry vaccinated for Lyme disease and leptospirosis (carried in deer pee)."

"We can't wait to celebrate his "first" birthday with us and our first Christmas together."

You can follow the exploits of Henry's exploits on his dedicated Instagram page;

GRV General Manager Strategic Communication & Marketing Louise Martin seals the agreement with Melbourne Aces' General Manager Justin Huber.

The dogs go in to bat. New partnership between greyhound racing and baseball

Greyhound Racing Victoria (GRV) is now a Premier Sponsor for leading Australian baseball team, the Melbourne Aces, a partnership that will help showcase both codes across their audience bases.

The sponsorship will include greyhound racing signage, promotions with prizes at Melbourne Aces games and across social media platforms for the 2019-20 season.

A founding member of the professional Australian Baseball League, the Melbourne Aces are a recognised winter league of the US's Major League Baseball code.

Based at the Melbourne Ballpark in Altona, the Aces have an all-time record of 177-220 over the past nine seasons and many of their players have gone on to Major League Baseball, including the National League 2018 Rookie of The Year, Ronald Acuña Jr.

Established in 2010, the current Australian Baseball League has eight teams based across Australia and New Zealand and is looking to expand to 10 teams for the 2020-21 season.

Greyhound racing is Victoria's second largest racing code with 13 greyhound racing clubs hosting more than 1,100 race meetings annually and a record \$2.37 billion wagered nationally on Victorian greyhounds in 2018-19.

GRV's General Manager for Strategic Communication and Marketing, Louise Martin said the sponsorship agreement was a first for both Victorian greyhound racing and Australian baseball.

"GRV is very pleased to partner with one of the stars of Australia's newest professional sporting competition who like us, are based in Victoria, the nation's leading sports state," Ms Martin said.

Melbourne Aces' General Manager Justin Huber said the team was excited about the new partnership with GRV.

"Victorian Greyhound Racing is a vibrant, entertaining and thriving sport with animal welfare at its heart and we are keen to work with them to raise the profile of both our codes."

"Go The Red Dog" bushfire fundraiser

Greyhound Racing Victoria will donate \$250 to the bushfire appeal every time a greyhound wins a race from the red box at any Victorian track during the month of January.

GRV Board Chair Peita Duncan, along with the Chair of Greyhound Clubs Victoria, Adrian Scott, said GRV, the 13 Victorian clubs and participants had a proud history of banding together to help those in need and the "Red Dog" initiative was just one way we could all show our support to the thousands of Victorians going through tough times.

"We will also be naming a race at every meeting in honour of our brave emergency services personnel who, day after day, are putting themselves on the line to fight these horrendous fires," Ms Duncan said.

"Our hearts go out to all those affected, and I will be cheering the red dog all through January and hope we can raise tens of thousands of dollars for fire affected communities.

"In addition to the "Red Dog" appeal I know most, if not all, of our clubs will be holding their own separate fundraisers."

Ms Duncan said Warragul had plans for a fundraiser at its Cup meeting and Sale also planned to raise funds at its Australia day meeting.

"So, cheer on the "Red Dog" in January and get along to your local greyhound racing club to support this important initiative for the Victorian community."

With 17 dogs winning from the red box in the first four days of January the "Red Dog" appeal is off to a flying start with \$4250 already in the bushfire appeal.

GREYHOUND WELFARE AND RE-HOMING REPORT

BY DR GAVIN GOBLE BVSC, GENERAL MANAGER, GREYHOUND WELFARE AND RE-HOMING

VACCINATIONS FOR GREYHOUNDS

The new Code of Practice will require all greyhounds to have a current C5 vaccination from 1 January 2020. Please speak to your veterinarian about when your greyhounds are next due for a vaccination. Just a reminder that the vaccination requirements for acceptance into GAP are slightly more specific, so please check with GRV if you are planning to get a vaccination for this purpose. These requirements are also on the GAP page of this magazine.

New Transport Regulations for Victoria

On 14 December 2019 the Minister for Agriculture released new regulations for the transportation of animals in Victoria (Prevention of Cruelty to Animals Regulations 2019). These regulations impact on ALL Victorians including participants of Greyhound Racing.

To support participants, GRV have updated the GRV Transport Policy to reflect the relevant changes to transportation requirements.

The updated transport policy can be found on the Greyhound Care and Standards webpages; but the changes to the two relevant clauses are shown below:

Clause 7 now reads

“The surface on which greyhounds are transported must be non-slip, weight bearing, and able to be effectively cleaned and disinfected. **On days where the ambient temperature is 28°C or above, greyhounds must not be placed directly onto the floor of a metal trailer or metal vehicle surface. A layer of insulating material must be provided to protect the greyhound from contact with the metal floor.**”

Clause 22 now reads:

“A greyhound left unattended in a stationary vehicle or trailer **must be managed as follows:**

- (a) **when the ambient temperature is below 28°C, the greyhound must be checked at least every 20 minutes;**
- (b) **when the ambient temperature is 28°C to 31.9°C, the greyhound must be checked at least every 10 minutes;**
- (c) **when the ambient temperature is 32°C or above (i.e. a hot weather affected journey), the greyhound must be checked at least every 10 minutes and the air-conditioning must be running in the vehicle or trailer at all times.**

Unattended is defined as the greyhound not being visually checked to ascertain its physical state.”

Rehoming Package now available!

GRV has recently re-released a new Rehoming Package with new forms to support Code compliance.

The Rehoming Package enables a GRV registered owner to comply with the requirements of The Code of Practice for the Keeping of Racing Greyhounds (the Code), and to transfer the ownership of the greyhound on the GRV Microchip Registry to the new pet owner.

The Rehoming Package contains two booklets:

1. Re-homing Guide – Information for Participants
2. Pet Greyhound Post Adoption Care Guide (that must be provided to the new pet owner by the GRV registered owner upon rehoming)

Importantly, the Pet Greyhound Post Adoption Care Guide contains the **Notice of Retirement as a Pet – Transfer to New Owner form** and the **Re-homing Statement**. Completion of these forms, AND the provision of the Pet Greyhound Post Adoption Care Guide to new owners, will ensure compliance with all requirements in relation to rehoming under the Code.

The Re-homing Package is available on the Rehoming section of the GRV Greyhound Care & Standards Website: greyhoundcare.grv.org.au/

Hard copies of the package are also available at most clubs or you may also request a copy by calling GRV on 03 8329 1100.

PENDING Third party pet retirements are now live

FastTrack was updated mid-December 2019 to place third-party pet retirements (retirements to re-homing group or any person who is not the last registered racing owner) go into a 'PENDING' status until the new (pet) owner's details are verified by GRV. There is no change to the retirement process on FastTrack, however, the racing owner will note that the greyhound's status remains as Racing or Unnamed and it remains in their MyDogs list until GRV confirms the pending retirement; and they will receive an automated email advising them of this. Once the new owner's details are verified by GRV, and the retirement has been finalised on FastTrack by GRV.

To ensure GRV can confirm the retirement as quickly as possible, GRV requires all the new owner's contact details; FULL NAME, COMPLETE ADDRESS (including post code), PHONE NUMBER and EMAIL ADDRESS (if they have one). In addition, an ALTERNATIVE CONTACT NAME and PHONE NUMBER are required (if the new owner can't be reached in the event the greyhound is found loose); for example, the alternative contact can be a friend or family member.

Workshops

GRV is currently reviewing workshop locations and dates for 2020. Please speak to your local club manager if you have a preference for a specific topic you would like to see offered at your local club. Workshop topics and booking information can be viewed at greyhoundcare.grv.org.au/workshops.

PROFESSIONAL STANDARDS AND INTEGRITY REPORT

PROSECUTIONS OVERVIEW

Victorian Racing Tribunal

Greg Doyle - VRT Hearing 7 November 2019 – GAR 71 (1) The greyhound “Han Solo” failed to perform to the satisfaction of the Stewards. VRT dismissed the appeal.

Angelo Ghirxi - VRT Hearing 8 November 2019 – GAR 83 (2), failed to present the greyhound ‘Lorenza’ free of any prohibited substances ‘Meloxicam’ for an event at the Warragul Greyhound meeting held on 20 June 2019. Angelo Ghirxi pleaded guilty, the VRT imposed a \$1250 fine with \$1000 suspended. In addition, ‘Lorenza’ was disqualified from race 6 at Warragul on 20 June 2019.

Victor Millington - VRT Hearing 28 November 2019 – GAR 83 (2), failed to present the greyhound ‘Solar Life’ free of any prohibited substances ‘Theobromine’ for an event at the Horsham Greyhound meeting held on 5 March 2019. Victor Millington pleaded guilty, the VRT imposed a 3 months suspension wholly suspended. In addition, ‘Solar Life’ is disqualified from race 3 at Horsham on 5 March 2019.

Pat Sofra – VRT Hearing 28 November 2019 – LRR 42.6 (b), Mr Sofra pleaded guilty to failing to provide GRV with at least 14 days prior written knowledge, in the approved form, of an intention to euthanise the fit and healthy greyhound “Hot Cup” on 20 August 2018. The VRT imposed a \$250 fine and suspend Mr Sofra for 12 months which is wholly suspended pending no further breaches of LRR42.6 in the next 12 months.

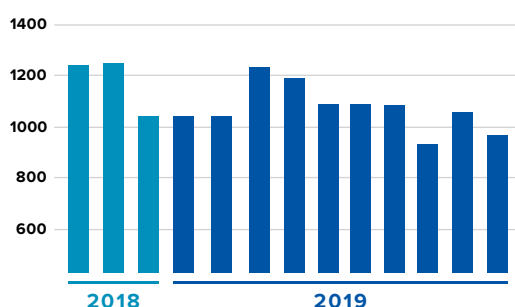

Ben Diviriglio – VRT Appeal Hearing 21 November 2019 – GAR 92 (5) (c), Mr Diviriglio appealed GRV’s decision to suspend Mr Diviriglio’s licence for an indefinite period on 13 November 2019 pending the outcome of an inquiry. The VRT dismissed the appeal.

Samantha Grenfell – RADB Hearing 29 November 2019 – GAR 83 (2), failed to present the greyhound “Oster Bale” free of the permanently banned prohibited substance ‘5 β -ANDROSTANE-3 α , 17 β -DIOL’ for an event at the Geelong Greyhound Racing Club meeting on 22 March 2019. Charges were withdrawn by GRV.

Seona Thompson – RADB Hearing 22 November 2019 – GAR 83 (2), failed to present the greyhound “Fab Reiko” free of the permanently banned prohibited substance ‘5 β -ANDROSTANE-3 α , 17 β -DIOL’ for an event at the Warragul Greyhound Racing Club meeting on 2 April 2019. Charges were withdrawn by GRV.

James Psaila – RADB Hearing 15 November 2019 – LRR 42.18 (b), Mr Psaila pleaded guilty to possession of, or bringing within the boundaries of his property, two rabbit carcasses for the purpose of using it as, or which might reasonably be capable of being, or likely to be used as bait, quarry or lure to entice, excite or encourage a greyhound to pursue it. The Board has considered the circumstances of this case and is comfortably satisfied that special circumstances exist. The VRT imposed a 12-month disqualification commencing on 2 November 2018 (the date he was suspended by Stewards) and an additional 12-month suspension wholly suspended for 12 months pending no further breach of LRR 42.18, commencing on 15 November 2019.

DON'T WAIT, APPLY FOR DNA TODAY!

GRV would like to remind participants of the requirements to register females for breeding. While GRV has implemented a short-term initiative which may assist participants who are under time pressure to get DNA results back, this involves additional steps (including a participant signing a GRV waiver) and can be avoided if DNA is done early.

For a female to be eligible to breed, participants must ensure their greyhound has DNA results registered with Greyhounds Australasia.

Steps how to do this are as follows:

1. Contact GA and apply for a DNA kit
2. Take the kit and the greyhound to your vet
3. Vet will complete the sample and post to the lab
4. After processing, the lab will inform GA and DNA number will be attached to the greyhound's record via FastTrack
5. If all other requirements have been met (see right for PINK CARD registration) the greyhound will be ready to complete the registration.

GRV recommends applying for your DNA kit as early as possible to allow sufficient time for DNA results to be returned to Greyhounds Australasia and recorded before the greyhound is in season. The turnaround of the DNA result can be somewhere between two and six weeks, dependent on the Lab.

For more information please contact Greyhounds Australasia at admin@galtd.org.au or **9548 3500**. To find out more about registering for a Pink Card, including fees, exemptions, stud masters and FSI technician responsibilities, go to: grv.org.au/pinkcard

UPCOMING GRV VIC BRED SERIES

GRV VIC BRED Series races are designed to promote and reward Victorian Bred Greyhounds. Each series is designed to give an equal opportunity to a variety of greyhounds, of similar grade and experience, a chance to compete for above average prizemoney.

GRV VIC BRED Series are open to Victorian Bred Greyhounds and all provincial finals carry a VICGREYS Bonus.

Listed here are when GRV VIC BRED Series commence during January and February 2020.

RACING UPDATE

BY GREG KERR, GENERAL MANAGER, RACING

Dealing with the heat has been quite challenging over the past month. The placement and times of our meetings has been all over the place, however we have managed to stage most meetings in one way or other. Thanks, must go out to my teams for achieving this, it's been challenging for them especially when multiple areas and clubs are affected.

Traralgon demolition is well underway, it is worth mentioning that because of the demolition there are currently no services available at the venue.

Dog population continues to show improvement with just under 60% of all races having 8 runners, and new starters continues to show a positive trend. All good indicators for the coming months.

The grading and coursing reviews are well underway with good feedback from the company that is doing the review for me. They have and continue to interview a wide range of participants to get a real feel of the issues you are all facing. The reviews will continue for the next month before coming back to me with their summary and draft recommendations.

Gravel Road (an external consultant) is now working with me, specifically around race meetings and the overall meeting calendar. We will develop several modelling tools which will allow us to better understand the economic outcomes, and how we can get the best commercial returns for each. This is essential to ensure we can maximise revenue so we can reinvest back into areas such as stake increases.

The recent extreme hot weather has highlighted the fact that we needed to introduce a Fire Rating Policy which we can apply when the Bureau of Meteorology (BoM) announces a CODE RED alert. This is going to be introduced simply to ensure the safety of participants and dogs because the code red days fall outside the current heat affected policy we currently have. It will give clarity on where people can and can't go while these alerts are in place.

Once the hot weather settles down a bit, and we have just a few more dogs racing, I will be looking to implement a trial of where we will run 14 races at some venues. This will obviously help both GRV in terms of revenue, and our participants ability to earn a bit more in stakes.

Code of practice now in effect

The Victorian Government's Code of Practice for the Keeping of Racing Greyhounds is now in effect as from 1 January 2020.

GRV has already received a large number of Establishment Health Management Plan (EHMP) declarations from participants and we thank those who have completed them.

GRV understands that some participants, especially those in the East Gippsland region are currently dealing with bushfire issues but now that the Code is operational, it's important at this time to make sure all participants are aware of their Code obligations.

There is no need to panic if you have not familiarised yourself with the Code of Practice or completed your EHMP yet, GRV are keen to support you.

The best place to start is by reading the actual Code of Practice for the Keeping of Racing Greyhounds at:

agriculture.vic.gov.au/__data/assets/pdf_file/0010/348166/Code-of-Practice-Keeping-Racing-Greyhounds.pdf

If you would prefer a hard copy of the Code of Practice your local club have hard copies on hand.

Once you have familiarised yourself with the Code of Practice you can start on your Establishment Health Management Plan (EHMP).

The EHMP is a document required by the Code that contains protocols to describe how you complete your greyhound activities and manage your establishment. You can either use the prewritten GRV protocol template (14 of which will require vet sign off) or you can write your own.

Here is a link to the online Establishment Health Management Plan (EHMP).

If you are unable to print and would prefer a hard copy of the EHMP, your local club will have hard copies on hand.

Once you have completed your EHMP and had a vet sign off the necessary protocols, you will need to submit your online declaration that the EHMP is complete and has been signed off by a vet. This will only take a couple of minutes.

You do not need to submit your EHMP to GRV.

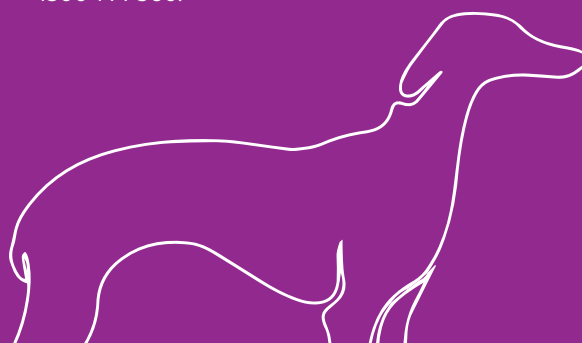

The online declaration form can be found [here](#).

Greyhound Records will now need to be kept for all greyhounds on your establishment, except for those that are retired pets.

GRV encourages you to use FastTrack to complete your Greyhound Records, which can be accessed through MyDogs (Actions/Greyhound Record). While GRV have produced a hard copy template Greyhound Record which can be used instead, you may keep greyhound records in any way that suits, provided you keep all of the information required by the Code in a way that can be passed on with the greyhound if it leaves your care.

GRV are here to support participants comply with the Code of Practice, so if you need more information, visit the Code of Practice webpage.

Alternatively, you can call the Code Support Line on 1300 144 360.

Changes to Shepparton Boxes

Shepparton's 390 metre boxes will be replaced with 385 metre roll-on boxes from 9 January 2020.

The shift in box placement is to encourage greyhounds to run in a straighter line out of the boxes rather than deviating towards the rail.

Director, Racing Safety, Clubs and Infrastructure, Scott Robins said, "This decision was another recommendation handed down by the University of Technology Sydney (UTS) who are continually working with GRV to improve the safety of Victorian greyhound tracks."

"The roll-on boxes have been trialled for a six-week period of which we have received positive feedback regarding greyhounds positioning out of the boxes."

All greyhounds of Grade 4 or better will be regraded back to Grade 5 due to the reduction in distance.

WORD FROM THE GRADER;

Nominations for the new 385m boxes for the 9th January 2020 opened on 26th December. For a short period of time there will be two nomination options for this distance to allow nominations and grading up to the final 390m race on 6th January. The 390m distance will be 'turned off' once the 6th January meeting has been graded.

GOTBA REPORT

2020 is a year of challenge for Victorian greyhound racing.

Various, we have a new Code of Practice that has only just commenced, increased racing competition from other States and a wagering market that is mature and from which we cannot expect ever increasing revenue without significant investment and innovation by the sport itself.

As participants we expect to have safe, economically viable racing within a sport of which we can be proud and that respectfully supports all people and animals working within it day after day.

By safe and economically viable, we mean one where track and club infrastructure, welfare and prizemoney investment and results are carefully considered, calibrated and, when needed, recalibrated to attract and retain people and animals. By pride we mean a sport whose integrity (in the sense of compliance and fairness) is strong and which is aggressively forthright in promoting the racing product and the people who create it.

By respectful support, we mean a sport where the massive reserve of knowledge of participants is understood, considered and used, and where the role of each person working within the sport – participant, steward, administrator – is treated with understanding of its importance and what is required to carry it out, so that we can ensure that it is.

These are things that everyone involved is responsible for achieving, and that cannot be achieved without everyone working towards them. Many have worked incredibly hard in Victoria over the last 5 years to make a step change in the way that our sport is conducted.

Participants at all levels especially, including even now in terms of Code investment.

GOTBA Vic in 2020

Our focuses in 2020 involve advocating for participants big and small on issues that affect us. In particular, ensuring that participant voices are heard, understood and are reflected in decisions (participant voice), ensuring that Code implementation reflects participant perspective and concerns, (code) and, most critically, ensuring that prize money step change (to reimburse and reward participants for their hard work and step change) is front of mind (prize money).

AND ANOTHER THING

January is renewal month for GOTBA Vic membership. Those members who are due for renewal will have already received either email or direct contact from us regarding their membership renewal.

We encourage all members due for renewal to renew (and all those thinking of membership to join) – we are stronger together.

Lynton Hogan

President of GOTBA Victoria Inc.

The **Greyhound Owners, Trainers and Breeders Association (GOTBA)** of Victoria is a not-for profit incorporated association, run by a committee of volunteers who work towards the constant improvement of the sport on behalf of member and their greyhounds.

GOTBA Committee: Lynton Hogan (President), Robert Britton & Sandra Reed (Co-Vice Presidents), Gayle Osbourne (Secretary), John Reid, Karen Leek, Geoff Miles, Stan Ralph and Jess Spoljaric (General Committee).

Re-homing of all greyhounds is a key goal for GRV. To assist owners with re-homing their greyhounds, spaces in the pre-entry assessment sessions are now booked through Racing Services during office hours on 03 8329 1100 or by emailing gapbooking@grv.org.au.

All sessions for the next 3 months are listed on this page, with later dates released each month.

To be eligible for a pre-entry assessment your greyhound must:

- have a current C5 vaccination AS PER THE NEW REQUIREMENTS* described below and given at least 10 days before the pre-entry assessment; and
- not have been trained, trialed or raced for at least one month (preferably two months) prior to the testing day ("wind-down period"). This will increase the likelihood of your greyhound passing the temperament test. The 'Racing to Retirement' information booklet is available through Member Services or at: greyhoundcare.grv.org.au/retirement-from-racing.

Only three greyhounds per connection can be booked in each pre-entry assessment session. Participants must provide a good quality, well fitted wire muzzle when entering a greyhound into GAP.

NOTE: The entry fee for greyhounds into the GAP has been waived.

GAP VACCINATION REQUIREMENTS

From 1 March 2018, your greyhound must have had the following vaccinations:

- Parvovirus, Distemper and Hepatitis (C3) within the last 2½ years (or within the last 1 year if the last C3 was given earlier than 12 months of age); and
- Kennel Cough (both Bordetella and Parainfluenza) within the last 6 months where the Bordetella component is given as an intra-nasal or oral vaccine.

The simplest method to achieve this is an injectable C3 vaccine plus the standard intra-nasal Kennel Cough vaccine.

If you or your veterinarian have any questions on these requirements please contact GRV.

SESSIONS MARKED IN GREY ARE **BOOKED OUT**

GRV asks participants to be aware that session dates and times are subject to change in hot weather. The GRV Hot Weather Policy is now being applied to GAP Pre-Entry Assessment dates. For days when the temperature is forecast to be 32 degrees or above, pre-entry assessment sessions may be subject to a time change. For days when the temperature is forecast to be 38 degrees or above, pre-entry assessment sessions will be cancelled. GRV will notify participants by phone as soon as possible for all session changes and cancellations. Wherever possible, GRV will endeavour to replace cancelled sessions with new sessions in the local area.

VACCINATE NOW!

From 1 January 2020 all greyhounds are required to have a current C5 vaccination.

Speak to your vet to find out more or go to:
greyhoundcare.grv.org.au/vaccinations

For more information, please contact the relevant race club directly.

Bookings are essential for all trial sessions conducted at greyhound tracks in Victoria, except Longwood. Bookings can be made in person, by phone or via **FastTrack** (except Benalla, Cranbourne, Horsham, Lang Lang, Longwood and Warrnambool).

Pen trials conducted after race meetings are required to be booked on the day by no later than race 8 via phone.

Satisfactory Trials are conducted following TAB race meetings. Trial sessions are subject to late change and weather conditions.
