**EDITOR-IN-CHIEF: ANDREW COPLEY  
MANAGING EDITOR: PHIL WEIR**

Greyhound Monthly Victoria (GMV) magazine is produced by Greyhound Racing Victoria (GRV), the governing body of greyhound racing in this state.

GRV strongly encourages all Victorian greyhound racing participants - in particular breeders and trainers - to take the time to read each issue of GMV to ensure they are across relevant key issues.

Each edition of GMV aims to provide an overview of key happenings in relation to Victorian greyhound racing that occurred during the previous month, as well as promoting significant and relevant upcoming activities and events.

It is GRV's goal to have each edition of Greyhound Monthly Victoria available on-line at [grv.org.au](http://grv.org.au) on or before the last day of the previous month, and arriving in letter boxes by the 10th day of each month.

# CEO's Update

Welcome to the September edition of Greyhound Monthly Victoria and the first day of spring. Firstly, I'd like to congratulate all the winners at the 2020 Victorian Greyhound Awards. I'm sorry none of us could all be there together in person but it was great to join you online to reward our sport's achievements and particularly so at a time that makes these achievements even more remarkable under the circumstances. I particularly applaud the GRV Board's decision to present its Leadership Award to the entire industry for what has been a truly exceptional effort to keep our sport literally on track since March, protecting the health and safety of everyone involved while still delivering some of the best racing we've seen in a long time.

Speaking of which, I also congratulate Making Gravy and trainer Adele Powell for a very strong and consistent performance in winning the 2020 Waterloo Cup at Lang Lang last Sunday. And we can look forward to more great straight racing at the 2020 TAB Healesville Cup on Sunday 6 September and you can catch all the action live on GRV's Watchdog app.

In other racing news, the new Saturday morning racing slot is running well with strong nomination fields and average wagering turnover of around \$1.2 million for each of the first three weeks. Both SEN and RSN are delivering dedicated coverage of these meets and GRV is stepping up promotion for the US markets where they are broadcast live on Friday nights.

And I am pleased to announce that, following discussions with GCV, \$373,000 has been provided to restore prizemoney levels for feature races to ensure they stay at the same level as they were last year and to take some of the financial pressure off clubs. This includes the Melbourne Cup, Bold Trease, Temlee, Zoom Top, Silver Chief, Australian Cup, Fanta Bale Super Stayers and Topgun events. The Country Cups that have been topped up include the Ballarat, Geelong and Sale Cups. And another one of Victoria's

feature events, the Speed Star, will return for 2020 at The Meadows on Wednesday 16 September while work continues on the Sandown track.

In off the track news, I'd like to remind you that GAP Pre-entry assessment sessions are continuing as normal at clubs that offer facilities that allow COVID-19 safety restrictions to be properly implemented. All new GAP bookings are accepted through Racing Services as normal and I encourage you to book in early.

Finally, please be advised that the Cranbourne Racing Complex has been given a deep clean following a positive COVID-19 test from a nearby horse stable. This was a precautionary measure taken by GRV and Cranbourne Club and the venue's greyhound racing schedule continues as planned. On this note, I'd like to thank you all for how well we've adapted and adopted protocols to help lower the COVID risks within the sport. The fact that we are still racing while other industries have been forced to close or reduce hours shows that our commitment to safe racing has not gone unnoticed. So please keep wearing masks or face coverings and observing social distancing at both race meetings and trials. GRV is here to help you so if you have any questions about Permitted Worker Permits or COVID Safe Plans, you can call GRV's Participant Support line on 1300 144 360. So, stay safe, stay aware and let's keep racing into spring.

## 2020 VICTORIAN GREYHOUND AWARDS

# Whiskey Riot raises GOTY glasses

BY GERARD GUTHRIE

Anthony Azzopardi has achieved just about everything greyhound racing has to offer since moving to Victoria in 2016 and he celebrated another major accolade when Whiskey Riot was named 2019/20 Victorian Greyhound of the Year.

Azzopardi relocated from NSW to test himself in Australia's greyhound racing capital and says the depth of competition makes Melbourne Cup hero Whiskey Riot's achievement even more satisfying.

"It's quite an achievement by the dog," said Azzopardi at Sunday's announcement.

"The best dogs are down here in Victoria – it's very hard racing – and to have a top dog to win this (Greyhound and Sprinter of the Year) you've got to be mighty proud."

Azzopardi's sense of pride was echoed by owner/breeder Sandra Camden-Berminham.

"We were just blown away; to be honest I'm even tearing up now," she told GRV's Molly Haines.

"We were absolutely thrilled with the news and so happy for him to get the accolades he deserves and also for Anthony, Kylie and Kayla because of all the effort they put in to make him such an incredible performer.

"He was super-consistent throughout his career and he's given us some absolutely amazing moments of joy and celebration. We couldn't be prouder of him."

A son of 2015/16 Victorian GOTY and Hall of Fame inductee, Fernando Bale, Whiskey Riot won 11 of his 24 starts during the July 1, 2019 to June 30, 2020 eligibility period.

The undisputed highlight came in the Melbourne Cup, while he was a two-time winner at Group 1 level, also defeating the best sprinters in the land in the Temlee invitational.

Whiskey Riot was denied a third Group 1 trophy by the barest of margins in the Adelaide Cup, when edged out by fellow Victorian Hooked On Scotch, while he also ran second in the Maturity and third in the Topgun and Australian Cup.

Two wins and seven minor placings from 10 appearances in Group finals underlined Whiskey Riot's consistency at the elite level; however there was absolutely no doubt about his standout moment arriving on the sport's greatest stage, Melbourne Cup night.

"Most definitely," Azzopardi said.

"It's the greatest race in the world. It's one of those races everybody aims for and I'm very proud he won it, especially this dog.

"I'm very close to the dog and for him to win a Melbourne Cup he's certainly fulfilled my dreams."

As was the case with the previous GOTY, Orson Allen, Whiskey Riot claimed the award in retirement, having gone out on a winning note on April 2 at Sandown, fittingly the scene of his career-defining Melbourne Cup triumph.

"It was a hard decision but I was relieved," Azzopardi said.

"I think he deserved to go out as a winner – he went the Best of Night. It couldn't have been a more perfect ending than that."

Whiskey Riot brought an end to the Wheeler family's four-year GOTY domination via Fernando Bale, Fanta Bale (2017/17 and 17/18) and Orson Allen (18/19).

The Victorian Greyhound of the Year is based on performances during the racing year (July 1-June 30) as adjudged by the Victorian GOTY Panel.

## Top 'Detective'

BY PETER QUILTY

True Detective is the 2019-20 Victorian Stayer of the Year.

Trained by Jeff Britton at Anakie, True Detective 'laid down the law' – predominantly with thrilling frontrunning prowess – to win 22 races from 38 starts during the racing season (July 1 - June 30).

He contested eight group race finals, winning four: G1 Hume Cup (600m) – The Meadows; G2 Summer Distance Plate (720m) – Wentworth Park; Listed Gold Cup (710m) – Albion Park; Listed Sky Racing Stayers (715m) – Sandown.

True Detective was also runner-up in both the G1 Fanta Bale Super Stayers (725m) at The Meadows and G1 Sandown Cup (715m), fourth in the G1 Zoom Top (725m) at The Meadows and third in the G3 Speed Star (595m) at Sandown.

Owned by the Kramera syndicate, managed by greyhound media identity George Farrugia, True Detective (Aug '17 Black Magic Opal x Little Grey) established a stunning record from Box 1 during the racing year. He won eight races from 11 starts in the 'red' alley.

"He's been a big thrill this dog, we think he deserves it," an elated Farrugia said. "He's made us proud time and time again and to collect this award is awesome. He's been challenged in races and been able to take on all newcomers, we're just so really proud of him."

Farrugia added that the patience Britton and his partner Angela Langton showed in building him up over 700 metres was fantastic.

"I think there were some people that were saying, 'I don't think this dog will ever get 700'. His first couple of runs over it he was getting really tired but that's just a testament to Jeff and Angela, their training regime. Jeff always had confidence that he would run it out and it's been an unbelievable ride since."

And Farrugia quipped: "At Wentworth Park, when he won the Summer Plate, I gave him (Jeff) a big kiss on that big bald head and we've gone on in leaps and bounds ever since. We've become mates since that kiss, that's for sure."

True Detective took out the prestigious award from (in no particular order) Tornado Tears and Just Terms.

# Industry 'leads' the way...

BY PETER QUILTY

In a unanimous decision, precipitated by unprecedented times, the 2019-20 Greyhound Racing Victoria Board Leadership Award recipient is the 'whole industry'.

"We have changed it up," said GRV Chair, Ms Peita Duncan. "We had a Board meeting where we chose who that recipient would be, and to be honest, it was unanimous because of the year we've had."

Ms Duncan added: "It's not just around the COVID pandemic at the moment, but getting through the bushfires and canine (corona)virus, which means we lost race meetings because we didn't have enough dogs, and now obviously the enormous effort that's gone into keeping us racing."

"And to my competitive nature, I just want people to remember that Victoria – and I'm very proud of the Board and the executive team about this – we just held the line from the first lockdown in March until today, and we worked very hard with our State Government."

Ms Duncan expressed her thanks to the Premier and Minister for Racing "for supporting us and understanding that we are low to no risk, and that's allowed us to continue to race".

"What I'm particularly proud of, is that we stood tall and we did not reduce our race program to regional models or take races away. We did not reduce our prizemoney across the board, we only reduced feature races, which we had to... and I think the trainers were more than understanding of that."

Ms Duncan added: "And we just kept going and tried to be five steps ahead in terms of protocols on track to keep us racing... So that the trainers, the dogs, the whole industry kept ticking over; and for the communities they live in as well and for the livelihood and safety of the dogs and trainers and their mental health, we just were not going to put ourselves at risk."

"And I think the participants with their dogs, Greyhound Racing Victoria, all of the staff at GRV, we've absolutely come together as a big family and we have knocked this out of the park in terms of being able to continue to race the full program. And not only that, we have three extra race meetings a week."

Ms Duncan said that "whilst we're in crisis, we've also seen the opportunity to innovate". "And we've done that, and for the first time ever we've put our vision into the US – that is happening. We're doing the day-to-day managing of COVID issues and keeping things on track. But at the same time, we're still continuing on that commercial journey, albeit a bit different now... But we're still pushing hard on any innovation we can get."

Ms Duncan added: "So, having said that, the Board unanimously decided that the leadership award this year is going to every single participant in the industry... So, I just wanted to congratulate everybody. And I'm really proud of that, and it's all about the people in the end that make an organisation or an industry great. And I think that without a doubt we have stood up and we are shining like a beacon. I

feel quite emotional about this because I'm so proud of what we've done."

And Ms Duncan concluded: "This is just our way to acknowledge everyone in the industry because you have shown nothing but leadership and support and you understand what the consequences could have been for us, and I'm very proud of that."

"So, congratulations to everybody, keep doing what we're doing and once we're through COVID, I'm hoping it's at the end of the year, my plan is I will go to every single track in Victoria – just at a normal race day, not for a big event – just to go and to thank the trainers personally myself at every single track."

**Pawnote:** The GRV Board Leadership Award was introduced in 2019 as the highest award of excellence to a leader in the Victorian greyhound racing industry and/or community.

## Dailly's training double

BY PETER QUILTY

Andrea Dailly was awarded the 2019-20 Victorian Metropolitan and Provincial Trainer Premierships at the Victorian Greyhound Awards.

It's the third successive year she's claimed both prestigious awards.

Based at Anakie, Dailly scooped the pool with yet another racing season of sheer excellence.

Dailly won the 'city' award with 135 wins. She also notched 121 seconds and 114 thirds at Sandown Park and The Meadows.

Another Anakie trainer, Jeff Britton, was runner-up (80 wins) and Pearcedale's Jason Thompson third (62 wins).

Dailly also secured the 'country' gong with 214 wins, ahead of Balliang's Mark Delbridge (205) and Jeff Britton (140).

Her 'shining season' was highlighted by the racetrack deeds of kennel star Shima Shine (Nov '17 Barcia Bale x Shima Song).

Shima Shine won three metropolitan races and 10 provincial events during the 2019-20 racing year (July 1 - June 30) and contested four Victorian group race finals, including the Group 1 Topgun (525m) and Group 1 Silver Chief – both at The Meadows.

He also established track records at Ballarat 450m (24.75sec) – August 28, 2019 and Bendigo 425m (23.35sec) – June 28, 2020.

However, Shima Shine certainly wasn't 'Robinson Crusoe' in the Dailly camp. She had a host of stars contributing to her stellar racing year – including:

**Jaro Bale** – (8 metro wins); Finalist: G1 Melbourne Cup and G1 Temlee

**Rockstar Beav** – (10 metro / 2 provincial); Finalist: G1 Fanta Bale Super Stayers; G1 Sandown Cup; G1 Sale Cup

**Aston Cade** – (6 metro / 4 provincial); Finalist: G1 Australian Cup; G2 Warrnambool Cup

**Jax Bale** – (4 metro / 2 provincial); Runner-up: G1 Harrison-Dawson

**Leon Bale** – (7 metro / 1 provincial); Finalist: G1 Harrison-Dawson; G2 Warrnambool Cup (3rd)

**Kessler Bale** – (4 metro); Won: G3 Sir John Dillon Memorial; Finalist: G1 Hume Cup

**Rockstar Prince** – (4 metro / 1 provincial); Finalist: G1 Maturity Classic

**Lektra Spring** – (2 metro); Finalist: G1 Hume Cup (3rd); G3 Sir John Dillon Memorial

**Faithy Bale** – (7 metro / 5 provincial); Finalist: G2 Warrnambool Cup

**Halberd Bale** – (10 metro / 1 provincial)

**Speed Star** – (17 provincial); Finalist: G2 Warragul Cup

Meanwhile, Boom Down was a four-time G1 finalist, including the Bold Trease (2nd) and G1 Topgun Stayers (3rd), while Shima Mist established a track record at Ballarat 660m (37.48sec) – February 12, 2020.

## Criteria Guidelines

The Victorian Metropolitan Trainer's Premiership will be awarded to the Victorian registered trainer who trained the highest number of winners of full metropolitan stake money races, conducted at Victorian metropolitan tracks, during the racing year (1 July to 30 June).

The Victorian Provincial Trainer's Premiership will be awarded to the Victorian registered trainer who trained the highest number of winners of full provincial stake money races, conducted at Victorian country tracks, during the racing year (1 July to 30 June).

Provincial Full stake money races do not include Tier 3, non-penalty, reduced stake money races, or any other similarly conducted events on country tracks or any metropolitan full stake events conducted at Victorian metropolitan tracks.

# GRV WELFARE AWARD: DR BEC GOODE

The 2020 GRV Welfare Award has been bestowed on a stalwart of greyhound welfare and a name familiar with many greyhound fosterers and adopters: Dr. Rebecca 'Bec' Goode.

As the in-house veterinary surgeon at GAP, Bec sees thousands of dogs every year and, in her words, "does all that might be needed before they go out to their adoptive homes."

There's much more than that, however. Bec is a regular at GAP and GRV events. You'll often find her checking teeth in a tent at a community day or providing information to a room full of owners about toenails. Or dandruff. Or diets. Or at the GAP café going over the intricacies of 'happy tail'. There's so much to talk about with greyhounds.

"They're almost a species in themselves. They're lovely dogs, but also fascinating from a vet's perspective. They're so compliant and easy to deal with."

Bec has been with GAP for eight years. She graduated from the University of Queensland in 2001 and opened the Port Phillip Animal Hospital in 2006 with her husband Craig, who still looks after the Middle Park practice. On top of this there's the 'Greys Matter' specialty service, and five boys at home (not including Craig) to wrangle.

Bec is keen to sing the praises of GAP. "They have such an amazing foster care network and foster support. To have the contact with the greyhound community, reassuring them, checking things through, but also seeing them be able to manage veterinary issues. We've got an amazing group of people out there."

Like many in the profession, Bec is also keen to share her knowledge. "Greyhound are very different to other dogs, and I think what I love is learning about the ways they are so different, and helping others recognise that as well."

"I'm very, very humbled by this award. It's just amazing. I'm over the moon."

***"They're almost a species in themselves. They're lovely dogs, but also fascinating from a vet's perspective."***

# Gravy pours on the pressure in classic Waterloo Cup

BY ANDREW COPLEY

The 2020 Waterloo Cup was taken out by Making Gravy on 30 August in what could be described as the ultimate reward for consistency.

After two consecutive days of coursing up the Lang Lang straight, the Adele Powell-trained greyhound emerged as the only undefeated contender throughout the time-honoured Waterloo Cup series.

Pure Magic (red collar) and Making Gravy (white collar) battled it out in the final, with the latter the only one of the two with previous coursing experience under his belt, and he proved too strong.

Handler Michael Ryan said Adele had planned her Waterloo Cup mission well in advance.

"He (Making Gravy) coursed really well at Longwood a couple of months ago and got stronger and stronger with each run."

"This has been a great training effort by Adele, to condition this dog so well, and Making Gravy is a really special dog to do what he has done this weekend."

"To course undefeated five times over the two days, including three times today, is a huge effort."

Making Gravy (Black Bear Lee x Bit Classy), who turned three this month, is a first season courser.

He had won five from 17 on the circle heading into the Waterloo Cup, and has been a model of consistency on the coursing circuit, now winning three of four coursing events he has competed in.

It was a great first attempt at coursing by the Justin Nolan-trained Pure Magic (Black Magic Opal x Segovia), who has won five races from 12 starts on the circle, all in the best time of the day.

This was the 147th running of the Waterloo Cup, Victorian greyhound racing's oldest and, arguably, most prestigious event.

Powell, who also owns the winner, collects a first prize of \$12,970, while Making Gravy's name will be inscribed on the Waterloo Cup trophy, which carries the names of every winner since 1873.

# Keeping out of the woods: avoiding positive arsenic swabs

GRV would like to take this opportunity to remind participants to be mindful of greyhounds chewing or licking kennels or yards constructed with CCA (Copper Chromium Arsenate) treated ('tanalised') timber. CCA, used to preserve and protect wood from dry rot, fungi, mould, termites, and other pests, contains arsenic, and has been the likely cause of several urinary arsenic threshold breaches in recent times.

Destructive and repetitive behaviours, including chewing parts of the kennel or yard, bedding and bowls, and persistent barking or howling, are commonly reported abnormal behaviours in greyhounds. They often can be a result of prolonged stress or anxiety, boredom resulting from a lack of company, insufficient exercise and/or mental stimulation, or frustration created by a lack of opportunity to engage in normal, healthy behaviour. These are coping mechanisms for the affected greyhound; they help relieve stress, but they are also habit forming.

Greyhounds chewing on CCA treated wood in their kennels or yard has implications for:

- **Greyhound welfare:** a greyhound exhibiting abnormal behaviours such as chewing the wood in its kennel is often a sign that it is stressed and that its environment does not meet its psychological needs.
- **Greyhound health and racing performance:** while arsenic in CCA treated timber is toxic, and greyhounds chewing on wood risk injury to their mouths and teeth, stress driving this behaviour also can reduce a greyhound's ability to heal after injury and suppress its immune system, meaning it is less able to fight infections.

- **The risk of returning a positive swab:** because of the arsenic in CCA treated timber, there is a risk that ingestion will result in a breach of the arsenic threshold, which stands at 800 ng/mL for urine samples. A positive swab results whenever the threshold is exceeded, regardless of whether exposure was accidental or deliberate. Participants are also reminded that a few injectable supplements and some seaweed or seafood-based nutritional supplements contain high concentrations of arsenic and participants that choose to administer these products close to racing do so at their own risk.

Addressing wood chewing and other abnormal behaviour is important, not just to reduce the risk a positive arsenic swab, but also to improve the health, welfare and condition of your greyhounds. Providing behavioural enrichment and regular socialisation through enhanced social contact with people and other dogs, providing bones, toys or food puzzles, and/or modifying scent or sound stimulus (e.g. music) in and around the kennel are excellent strategies to reduce behavioural issues in your greyhounds.

If in doubt, seek help from GAP staff, who can provide support over the phone, or contact your veterinarian or a professional dog trainer.

# Food for thought: Fuel your champ for optimum health and performance

Nutrition is an important part of your greyhound's health and its race day performance. Understanding the main nutritional components of food will help to optimise your feeding regime and reduce your feeding costs.

The main components of food are split into two categories: **macronutrients** and **micronutrients**.

The macronutrients are protein, fats, carbohydrates and water – they are needed in significant amounts for a greyhound to survive, grow, perform and reproduce. The micronutrients are vitamins and minerals – these are essential for maintaining bodily functions and supporting healthy bones, nerves, muscles, and energy metabolism.

Relative to size, greyhounds have a higher energy need than other dog breeds. An average 30 kg greyhound needs around 1700 - 2000 kilocalories (Kcal) per day compared with a 30 kg Labrador which only needs about 1400 kilocalories.

## Not all macronutrients are created equal:

Unlike humans, dogs primarily rely on fats rather than carbohydrates for energy. Fats provide more energy (measured in kilocalories) per gram than either carbohydrate or protein. Carbohydrates (the main macronutrient in bread, pasta and rice) are also used as a source of energy but too much carbohydrate can predispose a greyhound to cramping. Protein is essential for building and repairing muscle; but it is not used as a direct source of energy. If your greyhound is not getting enough kilocalories in its diet, protein will be used as energy by breaking down its own muscle.

A good guideline for your greyhound's diet is:

- Protein providing close to 24% (20 - 25 %) of the energy requirements.
- Fat providing 40 - 50 % of the energy requirements.
- Carbohydrate providing 25 - 40 % of the energy requirements.

## Not all foods are created equal:

Good quality dry food diets are formulated to be nutritionally adequate with balanced levels of essential amino acids, fatty acids, vitamins and minerals. Many trainers feed a combination of fresh meat and kibble, plus an assortment of supplements including, eggs, bread, oil, and powdered vitamins. However, a correctly balanced, premium quality dry food can be fed on its own and still provide your greyhound with everything it needs to be fit, healthy and meet its racing potential.

When selecting a dry food, bear in mind that better quality foods will have a higher meat-based component (more protein and fat) which will be beneficial to performance. They will also be more digestible and more consistent in terms of ingredients, formulation and macronutrient distribution. Not only is a premium quality dry food simpler, it is also cheaper and gives you peace of mind that your greyhound is truly being fed for racing success.

# MGRA assumes Healesville administration

Hot off the heels of an exciting edition of the Group 1 Maturity Classic, the Melbourne Greyhound Racing Association (MGRA) has some important Club announcements.

Effective August 1, 2020 the MGRA has been appointed by Greyhound Racing Victoria (GRV) as the new Administrator for the Healesville Greyhound Racing Association (HGA), a move welcomed by MGRA Chairman Eddie Caruana.

"The MGRA believes a great deal of our role is to provide support and opportunities to the broader greyhound racing industry and we are looking forward to assisting the Healesville Club in any way we can."

"We have a great team at The Meadows both on and off the track, and hope that Cynthia (HGA General Manager) and her team at Healesville will benefit greatly from access to these additional resources and support."

MGRA CEO Ashley Baker noted the benefits of aligning the two Clubs was twofold.

"We are thrilled at this time to announce our Club's intention to build a straight track for racing at our Broadmeadows site."

"We recognise that straight track racing provides statistically some of the safest racing and our Club is committed to providing safe, state of the art facilities that contribute to the sustainability of the industry."

"The addition of a straight track to complement our existing premium two-turn track is the right move for our Club and the broader industry at this time and we are hopeful that it's a project we will be able to get up and running in the not-too-distant future."

"Taking on the administrative role with Healesville means we can both assist their Club with their operational requirements whilst learning the nuances of straight track racing from Cynthia and her team."

The MGRA is currently in the process of working with Council, GRV, planners and engineers to create a development plan for the existing Broadmeadows site and adjoining land, with more exciting details to be released in due course.

## Group 3 Warragul St Leger (460m)

WARRAGUL, 8 AUGUST

### 1st CATCH THE THIEF

<b>Breeding:</b>	Male May '18 Aussie Infrared x Dundee Ally
<b>Breeder:</b>	Desmond Dooley, Harcourt North VIC
<b>Owner:</b>	Ghost syndicate (Louie Cardillo), Sale VIC
<b>Trainer:</b>	Matthew Clark, Briagolong VIC
<b>First prize:</b>	\$25,000
<b>Odds:</b>	\$3.40
<b>Time:</b>	25.50sec (Best)
<b>Margin:</b>	1.63L
<b>2nd:</b>	Weblec Jet
<b>3rd:</b>	Zippping Sullivan

**How the race was won:** 'Next big thing' Catch The Thief (Box 2) 'stole the show' with sustained speed defeating the fast-finishing Weblec Jet (\$7.80) by 1.63L, with Zippping Sullivan (\$7.00) a further 0.93L away third in 25.50sec (Best). Zambora Smokey (\$2.30F) finished fifth, 6.56L from the winner.

Catch The Thief notched his second age-restricted feature, having won the G2 WA Derby. It was also his 15th win from 25 starts and his ninth win from his past 12 starts.

## Victorian Sprint Championship (515m)

SANDOWN PARK, 13 AUGUST

### 1st WEBLEC ACE

<b>Breeding:</b>	Male Sep '17 Kinloch Brae x Weblec Rose
<b>Breeder:</b>	Jane McNicholl, Williamstown SA
<b>Owner:</b>	Weber Loechel syndicate (Jeffrey Weber), Bowhill SA
<b>Trainer:</b>	Jeffrey Britton, Anakie VIC
<b>First prize:</b>	\$12,000
<b>Odds:</b>	\$4.90
<b>Time:</b>	29.61sec
<b>Margin:</b>	1.59L
<b>2nd:</b>	Simon Told Helen
<b>3rd:</b>	Yindi Girl Turbo

**How the race was won:** Weblec Ace (Box 3) staged a herculean performance to mow down Australia's No. 1 sprinter Simon Told Helen (\$2.60F). He spotted the four-time Group 1 winner around 50m from home in 29.61sec. Yindi Girl Turbo (\$27.70) finished third, 2.39L from the winner. Weblec Ace notched his 15th win from 36 starts. It was also the G2 McKenna Memorial finalist's fifth win from 13 starts over 515m at Sandown.

Catch The Thief made it nine wins from his past 12 starts when taking out the St Leger.

Weblec Ace with handler Jason Ireland.

## Victorian Distance Championship (715m)

SANDOWN PARK, 6 AUGUST

### 1st HERE'S TEARS

<b>Breeding:</b>	Male Sep '17 Fernando Bale x Tears Siam
<b>Breeder:</b>	Michael Ivers, Somersby NSW
<b>Owner:</b>	Millmi syndicate (Camilla Limon), Wongarbron NSW
<b>Trainer:</b>	Robert Britton, Lara VIC
<b>First prize:</b>	\$12,000
<b>Odds:</b>	\$10.50
<b>Time:</b>	42.45sec
<b>Margin:</b>	3.99L
<b>2nd:</b>	Sunset Bourbski
<b>3rd:</b>	Tornado Tears

**How the race was won:** Here's Tears (Box 6) adopted an uncustomary racing pattern by assuming the role of 'pilot' and leading his rivals a merry dance. He strolled to an effortless 3.99L win over Sunset Bourbski (\$3.80), with Tornado Tears (\$7.60) a further 0.72L away third in 42.45sec. Sandown's 715m track record holder registered his 15th win from 42 starts. It was also his fourth win from nine outings over Sandown's staying journey.

*Here's Tears continued his wonderful affinity with Sandown Park.*

## Group 3 RAM Security Cranbourne Classic (520m)

CRANBOURNE, 21 AUGUST

### 1st TAKEN

<b>Breeding:</b>	Male April '18 Fernando Bale x Smitten
<b>Breeder/Owner:</b>	Nicholas Darragh, Northcote VIC
<b>Trainer:</b>	Jason Thompson, Pearcedale VIC
<b>First prize:</b>	\$25,000
<b>Odds:</b>	\$11.50
<b>Time:</b>	30.11sec (Best)
<b>Margin:</b>	2.36L
<b>2nd:</b>	Arizona Eyes
<b>3rd:</b>	Manila Knight

**How the race was won:** Taken (Box 8) tracked wide and was third behind kennelmate Fire Legend and Catch The Thief down the back straight. But the race changed complexion when Fire Legend and Catch The Thief 'brushed' approaching the circle. Subsequently, Taken swept to the lead and held off Arizona Eyes (\$26.70) by 2.36L, with Manila Knight (\$10.70) a further 1.2L away third in 30.11sec (Best). Catch The Thief (\$2.00F) finished an unlucky seventh, only 5.8L from the winner. Taken, who finished fourth to Catch The Thief in the G3 Warragul St Leger, notched his 14th from 39 starts.

*Taken opened his group racing account in the Cranbourne Classic.*

# Participant Support Line FAQs

## What can the Participant Support Line (PSL) help me with?

The PSL can assist with any enquiry relating to your obligations or responsibilities as a greyhound racing participant. In particular, the PSL is able to provide clarification, guidance or assistance on a range of topics or issues, including:

- Current issues affecting greyhound racing such as COVID-19
- Current GRV call to action campaigns such as updating greyhound locations in FastTrack
- Greyhound Kennel or Facility Management & Construction
- Code of Practice
- Information relating to greyhound Breeding, Whelping, Rearing, Education or Training Activities
- Planning & Council Permits
- Racing rules and policies

## How do I contact the Participant Support Line?

You can do so by phone or email. If the line is busy or you have called out of hours, please leave a message that includes your name, participant number and a brief outline of the reason for your call.

Phone **1300 144 360**

Email **participants@grv.org.au**

## I'm not sure if the Participant Support Line can help me?

Don't worry, if the team is not able to help, they will know the right GRV department that can.

## I need answers urgently. How quick will you get back to me?

Most enquiries to the PSL can be resolved promptly, however please understand that some may take longer than expected due to complexity or if further information is required.

### *It can come out of the blue...*

*24 hour confidential phone support for psychological counselling, including financial coaching, introductory legal advice, nutrition wellbeing coaching and on-site counselling.*

## Greyhound Participant Support Program (GPS)

Participants in need of professional and confidential help with mental health issues, budgeting or debt management coaching, introductory legal advice or diet and nutrition advice for themselves or immediate family can call the independent Greyhound Participant Support Program on **1300 739 550**. This program is free to participants and is provided by Assure Programs, who also offer 24 hr emergency psychological phone support. ## Saturday Morning Greyhounds on the airwaves

By RSN staff writers

Digital radio station RSN Carnival is pleased to announce the addition of dedicated greyhound racing coverage of all three Saturday morning meetings nationally.

Saturday Morning Greyhounds, hosted by Riley Phelan, George Farrugia and with regular contributions from the TAB team, is providing extensive and detailed coverage of every race before and after it happens.

RSN Program Director Adam White said "With the addition of RSN's Saturday Morning Greyhounds, I'm so pleased we can enhance greyhound racing's new Saturday morning initiative."

"Our commitment is to give the greyhound industry and our RSN audience that additional detailed coverage for one of our key racing partners with a stand-alone product."

"There will be a focus on the Victorian meeting, but we'll cover each meeting around the country. I'm hoping our greyhound fans will enjoy this new initiative and additional service and we certainly appreciate the support of GRV."

GRV CEO Alan Clayton told RSN: "We're really delighted that we crashed through the door and got Saturday morning racing for greyhound racing open."

Saturday Morning Greyhounds can be heard on Digital Radio via RSN Carnival 1 at [rsn.net.au](http://rsn.net.au), on the RSN App or go to [grv.org.au/podcasts](http://grv.org.au/podcasts).

# GREYHOUND WELFARE AND RE-HOMING REPORT

BY DR GAVIN GOBLE BVSC, GENERAL MANAGER, GREYHOUND WELFARE AND RE-HOMING

## VACCINATIONS FOR GREYHOUNDS

The Code of Practice requires all greyhounds to have a current C5 vaccination. Please speak to your veterinarian about when your greyhounds are next due for a vaccination. Just a reminder that the vaccination requirements for acceptance into GAP are more specific, so please check with GRV if you are planning to get a vaccination for this purpose. These requirements are also on the GAP page of this magazine. In addition to recording your greyhound's vaccinations in its Greyhound Record, please also provide GRV with copies of your vaccination certificates for GRV to upload into FastTrack so there is a permanent record. This is particularly important if you are considering, or are already, breeding from your greyhound. These vaccination certificates are required to keep the Pink Card active.

## Vaccinations

August has seen a potential Kennel Cough outbreak with multiple reports of coughing dogs, but with quite mild symptoms, low numbers of affected dogs and quick recovery. Several coughing dogs at GAP were tested and found to be free of Kennel Cough. The 2017 outbreak had devastating effects on race fields, GAP intakes and on greyhound welfare, so it is critical that we limit any Kennel Cough infections now to prevent this occurring again. Can you please be vigilant, get veterinary advice if you get any coughing dogs and contact GRV so we are aware of what is happening in the industry. Good hygiene and biosecurity practices are vital to limiting spread and impact of any infectious disease. Any greyhound that has Kennel Cough or has been exposed to Kennel Cough, MUST be scratched from any races it is nominated for, and not trialled or taken to other communal training facilities or GAP.

**Most importantly, under the Code all greyhounds must have a current C5 vaccine, which means a yearly Kennel Cough vaccination (with a C3 every 1-3 years), in line with Establishment Health and Management Plan requirements and veterinary advice, preferably with an intra-nasal or oral vaccine, which are faster acting and more likely to be effective than injectable vaccines.** GRV recommends vaccinating all your dogs for Kennel Cough at the same time of the year to keep it easy to remember, preferably in the autumn before the Kennel Cough season. If they are normally vaccinated later in the year, you could synchronise them next autumn by vaccinating some slightly early. For more kennel Cough information including clinical signs, biosecurity information, vaccination considerations and avoiding a positive swab to cough medicines, please visit [https://greyhoundcare.grv.org.au/wp-content/uploads/2019/04/Welfare\\_Fact\\_Sheets\\_2019\\_Kennel\\_Cough.pdf](https://greyhoundcare.grv.org.au/wp-content/uploads/2019/04/Welfare_Fact_Sheets_2019_Kennel_Cough.pdf).

## GAP update and COVID-19 restrictions

Under stage 4 restrictions in metro Melbourne, GAP pre-entry assessment sessions are continuing as normal at clubs that offer facilities that allow the very strict COVID-19 safety restrictions to be properly implemented. All new GAP bookings are accepted through Racing Services as normal. If you are considering GAP for a greyhound, or you envisage a requirement in the future, please book in early to avoid the waiting time when you need it. Booking in early doesn't commit you but it does give you an option if you need it at short notice. In terms of adoptions, GAP has decided to deliver greyhounds to adopters in metro Melbourne (stage 4), while adoptions for people living in regional (stage 3) areas still occur at Seymour. The ability to carry on adopting is critical to our ability to keep accepting greyhounds from participants.

## Timber chewing in greyhounds

Recent positive swabs to arsenic have again highlighted the issues with greyhounds chewing CCA-treated (tanalised) timber, due to the arsenic in the timber treatment. Chewing behaviours can also damage greyhounds' teeth and mouth from biting on metal in runs and pens. Often, boredom is the reason a greyhound displays behaviours such as chewing and excessive barking. Boredom is the result of a greyhound not having enough physical or mental stimulation. Greyhounds suffering from boredom are stressed and use valuable energy when they should be resting. Stress produces stress hormones that slow injuries from healing, muscles from repairing and adapting to training, and impede growth. Boredom is relatively easy to resolve. The key to reducing boredom is to give the greyhound something quiet and stimulating to do - to enrich the kennel environment.

Abnormal behaviours in general, often also called stereotypies, are behaviours that are not normally seen in behaviourally healthy greyhounds; or normal behaviours repeated excessively; and/or normal behaviours that are being performed when they normally would not be. Other common examples include pacing, excessive barking, bopping, licking and panting. Abnormal behaviours

indicate that there is, or was, a problem with a greyhound's environment at some time and is a coping mechanism. They allow the greyhound some relief from how it is feeling, and to adapt and cope with their environment. It is important not to suppress these coping behaviours as this will make the stress worse. GRV has a number of resources at [https://greyhoundcare.grv.org.au/health-and-well-being/managing-other-problem-behaviours-in-greyhounds/#stress\\_and\\_boredom](https://greyhoundcare.grv.org.au/health-and-well-being/managing-other-problem-behaviours-in-greyhounds/#stress_and_boredom) to help you manage stress and abnormal behaviours in the kennel environment to improve greyhound welfare and racing success. These resources include:

1. 'Abnormal behaviours in greyhounds' (fact sheet) has some valuable information on identifying and managing abnormal behaviours. Once you understand why a greyhound has developed or is developing an abnormal behaviour, you can consider appropriate training, exercise and environmental enrichment strategies, as well as possible infrastructure or husbandry solutions.
2. 'Barking in the racing greyhound kennel environment' (fact sheet) discusses excessive barking and presents different options for managing and retraining excessive barkers. With persistence and patience, they should provide good results that are enduring through to retirement and re-homing.
3. 'Greyhound stress and boredom' provides information on environmental enrichment for reducing boredom-induced abnormal behaviours in greyhounds.

Re-homing of all greyhounds is a key goal for GRV. To assist owners with re-homing their greyhounds, entry into GAP is booked through Racing Services during office hours on **03 8329 1100** or by emailing [gapbooking@grv.org.au](mailto:gapbooking@grv.org.au).

Please note due to COVID-19, pre-entry assessments schedules are constantly under review and subject to change. GRV appreciates everyone's patience and understanding.

To be eligible for acceptance into GAP your greyhound must:

- have a current C5 vaccination AS PER THE SPECIFIC REQUIREMENTS\* described on this page and given at least 10 days before entry; and
- not have been trained, trialed or raced for at least one month (preferably two months) prior to entry ('wind-down period'). More information is available through Member Services or at [greyhoundcare.grv.org.au/retirement-from-racing](http://greyhoundcare.grv.org.au/retirement-from-racing).

**NOTE:** The entry fee for greyhounds into the GAP has been waived permanently.

Pre-entry Assessment Booking number:

Pre-entry Assessment email:  
[gapbooking@grv.org.au](mailto:gapbooking@grv.org.au)

### GAP VACCINATION REQUIREMENTS

From 1 March 2018, your greyhound must have had the following vaccinations:

- Parvovirus, Distemper and Hepatitis (C3) within the last 2½ years (or within the last 1 year if the last C3 was given earlier than 12 months of age); and
- Kennel Cough (both Bordetella and Parainfluenza) within the last 6 months where the Bordetella component is given as an intra-nasal or oral vaccine.

\* Note the GAP vaccination requirements are more specific than a standard injectable C5 vaccination given annually. Please contact GRV if you would like more information.

GRV asks participants to be aware that session dates and times are subject to change in hot weather. The GRV Hot Weather Policy is now being applied to GAP Pre-Entry Assessment dates. For days when the temperature is forecast to be 32 degrees or above, pre-entry assessment sessions may be subject to a time change. For days when the temperature is forecast to be 38 degrees or above, pre-entry assessment sessions will be cancelled. GRV will notify participants by phone as soon as possible for all session changes and cancellations. Wherever possible, GRV will endeavour to replace cancelled sessions with new sessions in the local area.

## FEATURED CLUB

# Ballarat

## Ballarat Greyhound Racing Club

### Manager Profile

#### Rod Ward

We all know that football and greyhound racing are a great match, nobody understands that better than our Ballarat club manager Rod Ward. Rod grew up in Queenscliff and Wedderburn but spent most of my life in Bacchus Marsh. With his father working in the Commonwealth Bank, he saw a lot of Victoria with several relocations as a child. For as long as Rod can remember he always followed the greyhounds. If you are on the good side of your 50s, like Rod, you will know take away food was a huge treat. So, it's not surprising that Rod's fondest memory involves take away food and a winning greyhound. He recalls visiting the old Olympic Park track with his dad and uncle, and yes, the dog had a good win but more importantly he had KFC on the way home.

In the past he enjoyed backpacking and travelling. He still enjoys travelling but has stepped it up from backpacking. Rod loves the outdoors and enjoys nothing more than arriving in a new city and exploring it on foot.

After 16 years working for Telstra in finance & administration, Rod has spent the past 18 years working for the AFL managing, supporting, and growing participation across community football.

We are very pleased to have Rod and his family as part of our Ballarat Club, but Rod is another self-professed unsuccessful punter.

### History, with Neil Brown

The best greyhound to come from the Ballarat area would undoubtedly be Bombastic Shiraz, bred and raced by the Cairns family (David, Kaye and trainer Darren).

The champ was whelped at Lal Lal, 20 km from Ballarat. Amazingly, in his 35-start career, he never raced on any other tracks except Sandown, the Meadows and two starts at Wentworth Park. In a short but outstanding race career he won 18 times and was placed on 11 occasions for \$355,915 in prizemoney. In a purple patch in late 2003 he won the Shoot-Out, Melbourne Cup and Top Gun. Retiring to stud after the Top Gun win, he proved an instant success producing Victorian and AGRA Greyhound of the Year Flashing Floods from his first litter.

Standing for leading Stud masters Bob Douglas and then Geoff Collins he sired 3968 pups. In a long list of high-class performers, the best would be Miata, Fabregas, Cindeen Shelby, Velocette, Spud Regis, Regal Thyme, Bit Chilli, Metz Magic and Spring Gun. Bombastic Shiraz won the 2003 Victorian and AGRA Greyhound of the Year, the AGRA Stud Dog of the Year 2008, 2009, 2012 and 2013. He was inducted into the Victorian Hall of Fame in 2013.
