Greyhound Monthly Victoria (GMV) magazine is produced by Greyhound Racing Victoria (GRV), the governing body of greyhound racing in this state.

GRV strongly encourages all Victorian greyhound racing participants - in particular breeders and trainers - to take the time to read each issue of GMV to ensure they are across relevant key issues.

Each edition of GMV aims to provide an overview of key happenings in relation to Victorian greyhound racing that occurred during the previous month, as well as promoting significant and relevant upcoming activities and events.

It is GRV's goal to have each edition of Greyhound Monthly Victoria available on-line at grv.org.au on or before the last day of the previous month, and arriving in letter boxes by the 10th day of each month.

CEO's Update

Firstly, it's good news that Victoria is further relaxing its COVIDSafe Settings, giving us more opportunities to get to the track, enjoy the racing and catch up with each other. However, some density restrictions still apply in indoor areas, so I ask you to please keep following each club's directions when you visit. The lifting of interstate travel restrictions is also great to see, and Victorian trainers are taking advantage of this to enter some of our best dogs in the heats for the Group 1 Golden Easter Egg at Wentworth Park in Sydney. Unfortunately, NSW's severe weather conditions means some dates for this event have been affected so if you're following the fortunes of Victorian racers in the Egg, check www.thedogs.com.au for the latest details. These weather conditions are also affecting parts of Victoria, especially around Gippsland and Otway Coast so please keep checking weather alerts, take all precautions and stay safe.

In other news, I'd like to thank all participants, clubs and Greyhound Clubs Victoria for their generous support of the Royal Children's Hospital's Good Friday Appeal by sponsoring GRV Chair Peita Duncan, Melbourne Storm superstar and greyhound racing enthusiast Ryan Papenhuyzen, and myself on Neil's Wheel on 12 March. Thanks to all your pledges, GRV raised more than \$17,000 for this very worthy cause, well above the \$5,000 target, placing us 7th of 21 on the Neil's Wheel's Leaderboard and once again highlighting our sport's commitment to our community.

Turning to our race program, our sport continues to perform well despite all the challenges of the past year. As at January 2021, total races were up 10% over the previous year while prizemoney paid out rose by 9.7%. The number of starters and unique dogs racing were up 10.4% and 4.6% respectively over the same period while the average field size reached 7.3, slightly up on the previous year.

And for the week ending 21 March, we hosted four additional meetings and 54 more races compared to the same week last year. Like many jurisdictions, including Queensland which has increased their race program from nine to 11.5 race meetings, and NSW which has increased from 16 to 21 race meetings per week, the Victorian race program continues to grow. Growing

the race program is something Victoria has done consistently since 2007.

As the number of races increases, it's more important than ever that we provide the safest possible working environment for our greyhounds. So, in addition to the \$2 million Safe Racing Program water management package announced last month, which you can read more about in this issue of the Monthly, GRV's Racing Safety and Infrastructure team are currently carrying out a quarterly review of track diagnostic and injury data at all Clubs. These discussions with each club also include topics such as water management, harrowing issues and the extent of GRV support required. As February was the 12-month anniversary of current reporting processes, these meetings have also included a full review of the previous 12 months diagnostic and injury data and overall track performance as well as the new reporting processes.

I am pleased to report that construction of the new Traralgon track remains on schedule to open around September 2021, with major earthworks now completed, the dam cleaned out and relined and the sub-base almost finished. The new battery powered, remote controlled lure that will be used at Traralgon is now also being trialed at Sandown.

We have an exciting program planned for the coming months with the Ballarat, Geelong, Warrnambool, Sandown and Bendigo Cups, the Speed Star series and the new Pink Diamond series in June. 2021 is shaping up to be a great year for Victorian greyhound racing - one that we can now enjoy again back at the track itself.

Keeping the tracks on track

New irrigation equipment is being provided to Victorian greyhound racing clubs by Greyhound Racing Victoria (GRV) as part of a \$2 million boost to its Safe Racing Program, GRV's Director of Safe Racing and Infrastructure, Scott Robins, said today.

GRV's Safe Racing Program is aimed at delivering the best possible working environment for all greyhounds racing in Victoria.

The five-year plan, launched in 2019, is focused on a range of issues that affect track safety. These include the design of the tracks themselves, related infrastructure such as safety rails, track cambers, starting boxes, catching pens and lures, race day management practices and skills and training for track curators and their teams.

Mr Robins said a crucial component that has a major impact on safety and consistent racing performance is track surface quality.

"A track that's too hard or heavy increases the potential for injury, so good water management is critical, especially during the hot summer months," Mr Robins said.

"To help all Victoria's clubs ensure their water management practices meet the required standards, GRV is investing more than \$750,000 in new equipment such as water carts and tractors for towing them too, so that track curators can apply water as evenly as possible to prevent the tracks drying out and compacting. This is just one of the ways in which we are providing a safe workplace for our dogs."

"Clubs across Victoria are now receiving this new equipment as another Safe Racing initiative to make sure the dogs enjoy a safer run, on consistent tracks that also deliver great racing for everyone."

Independent Chair for Greyhound Clubs Victoria

Brett Jones, CEO of Greyhound Clubs Victoria, has announced an independent chair has been appointed to GCV, commencing April 1. "After conducting a thorough recruitment process, I am delighted to announce that the GCV Delegates have endorsed the Executive's recommendation that Mr. Greg Davies be appointed as the inaugural GCV Independent Chair.

He added "Greg brings vast knowledge and experience in the areas of governance, leading member-based organisations and building strong stakeholder relationships."

"Greg has had a distinguished career including various roles with Victoria Police, performing the role of Secretary (CEO) of The Police Association and was the inaugural Victorian Victims of Crime Commissioner.

Milestone story: Hagrid Grange

Each month we like to recognise the milestones racing greyhound have reached in Victoria in recognition of their longevity. This month, it's 'hats off' to Hagrid Grange, who has just clocked up 167 races, including 100 at Bendigo, and was rewarded for his achievement with a rug from the club, and retirement.

Lockwood South trainer Sebastiano Gibilisco has owned Hagrid Grange (Hesa Felon/Hoofla) for his last 120 starts. His passion for the dog is palpable. "He's just a lovely dog, but a little bit more, he's really loveable, you know?"

"He has magnificent character. Always ready to go, and a very strong dog. He's never had any major injuries, just little things, so he just comes out, comes in, lovely dog."

Hagrid turned six in February 2020, but Sebastian reckons "he could have gone another six months, but I wasn't going to risk it, so now he'll stay with me."

Hagrid comes from an impressive line, which includes Australian Cup winner Brett Lee and, on his sire's side, Melbourne Cup winner Hallucinate.

The Bendigo Greyhound Racing Club presented the dog with an impressive rug to mark his century and posted the event on social media.

Bendigo Greyhounds Facebook:

Fantastic effort from the recently turned 6yo HAGRID GRANGE and his trainer Sebastiano Gibilisco on achieving the rare feat of 100 starts at the one track when he chalked up his Bendigo century in his 176th & final racetrack appearance at Bendigo on Wednesday... enjoy your retirement!

Sebastiano make it clear he's not yet up for the same fate, however. He still has Garage Sale (Dyna Double One/Molly Monroe), who is closing in on Hagrid's impressive numbers at Bendigo.

Why not, Bazzar?

BY PHIL WEIR

The first thing you need to know about Why Not Bazzar is how to pronounce it. It's not 'Bazaar' – it's 'Bazza'. The dog is named after a mate of trainers Greg and Gail Carter of Devon Meadows, who happens to be 328 game AFL/VFL veteran and 1981 Brownlow winner, Barry Round.

The second thing, and probably the most unique, is that Bazza has recently clocked up 103 races, at the same track, over the same distance. Cranbourne, 311 metres; and familiarity hasn't bred contempt, rather comfort.

Bazza's record shows he's experienced eight other regional tracks since his debut in January 2018, before settling in at Cranbourne. So why the 311m?

Greg Carter explained "He can't run much past it. He used to run at Traralgon over 395 and 315, and Warragul over 400, but then we took him to The Meadows one day and down the back he was leading about six or eight length and once he got to the straight it was like letting a balloon go. He had just expended his energy. So, in the end, 311 it is."

For a dog that turned five earlier this month, he's showing no signs of slowing down either. "I thought a few weeks ago it might be about time, but I brought him back and he's had five placings since."

"He's physically pretty fit. I get him checked ever week, and he only had a bit of a back muscle problem at one stage, but time healed that and he's back in action."

Greg attributes his longevity on the track to his honesty. "He's just a good, honest dog that races against the top each week. He's a brilliant beginner who gets on the rails and scrapes the paint all the way. For a sprinter, he's got \$96,000 on the clock and I think his biggest win was \$5000."

At home, Greg says "Bazza is just a good dog. When I'm out there cleaning the yards, he just walks beside me. Just does what he needs to do."

He's ruled out breeding from Bazza. "He's by Fernando Bale, which is in his favour, but you don't want to breed from a dog that's short-course only."

When retirement does beckon, Greg says he'll go to GAP and be a brilliant pet for someone.

Like his namesake, Why Not Bazzar will no doubt retire a happy, relaxed, and 'honest' champion.

GRV CEO Alan Clayton, Chair Pieta Duncan and GM, Marketing and Strategic Communication Louise Martin were joined by Zoe and Princess for the wheel trip.

Neil's Wheel – A dogs Day out

Victoria's Good Friday Appeal, for the Royal Children's Hospital, is one of the most popular and emotional annual events in the state. The 'unofficial' launch of the appeal, as described by its host, is 'Neil's Wheel', when 3AW's morning host Neil Mitchell invites organisations to ride the Melbourne Star Observation Wheel until they raise at least \$5,000.

Once again, GRV was invited to take the trip to be elevated 120 metres over the CBD, and once again the target has been reached, and is being exceeded.

GRV Chair Pieta Duncan, CEO Alan Clayton, and GRV General Manager Louise Martin took to the wheel at 8.40am and were 'released' an hour later when the donations reached just over \$12,000.

Over the course of the proceeding week donations have been pouring in from every facet of the industry, bringing Team GRV to a total donation amount of \$17,630.

The greyhound racing community is known for its generosity, over the past three years at Neil's Wheel alone Team GRV has raised over \$64,000 in donations for the Royal Children's Hospital Good Friday Appeal.

Team GRV thank each and every person and organisation that has donated in 2021 and in previous years.

Updated Breeding Exemption Application Form

GRV has undertaken a review of the Breeding Exemption Application Form and released a new form which includes Code of Practice requirements. The new form will be compulsory from 1 June 2021.

The new form replaces the two forms that were previously used (two-step submission), with a single form to be completed by both the breeder and their veterinarian (single submission).

For more information on the Breeding Exemption Application process and to download the form, please visit <https://greyhoundcare.grv.org.au/breeding/breeding-restriction-exemption-application/>

Prize money increase for longer races

Prize money for all Victorian greyhound races over 480 metres and beyond at Provincial and Level 3 race meetings increased by 15 per cent from 15 March.

GRV CEO Alan Clayton said this will see an extra \$300,000 injected into 480m+ distance racing from mid-March through to the end of this financial year, while it will deliver an extra \$900,000 in prize money to participants annually.

Under the changes we are seeing:

- Grade 5 races (480m to 594m) at Provincial Level be worth \$1,900 to the winner and a total pool of \$2,725.
- Provincial races from 595m+ will be worth \$2,185 to the winner and a total pool of \$3,145.
- Level 3 racing (Half Stakes/Tier 3) Grade 5 races (480m to 594m) worth \$950 to the winner and a total pool of \$1,365.
- Level 3 races from 595m+ will be worth \$1,100 to the winner and a total pool of \$1,580.

Mr Clayton said the increase is designed encourage our breeders, trainers and owners to aspire to race beyond 480m+ and support our racing product at these distances.

“We have made these changes permanent after consultation with key stakeholders such as GOTBA, to underpin our commitment to longer races and provide our participants with a clear vision for distance racing into the future,” Mr Clayton told RSN’s Gareth Hall on 1 March.

“The structure aims to support our existing ‘Go Distance Racing’ schedule, which already provides \$300,000 annually in prize money rewards for distance racing.”

“Supporting these monetary incentives will be a review of some race programming initiatives, with the aim to provide opportunities for races over longer distances that will complement the new prize money structure.”

“These could include changes to field sizes required for distance racing, and changes to the distances of regular heats and finals at Provincial meetings.”

Two important charities join the chase

BY ANDREW COPLEY

GRV’s 2021 Chase for Charity program was launched today with exciting news that two charities will join the competition for the first time.

Louise Martin, GRV’s GM Strategic Communication & Marketing, announced that McAuley Foundation and Time 2 Talk would be beneficiaries of the competition this year, along with Ronald McDonald House.

Louise said that like Ronald McDonald House, the two new charities were close to her heart.

“Danny Frawley was a dear friend. I worked with him at the Department of Justice through the (AFL) Coaches Association. We’re working alongside his organisation (Time 2 Talk), which is about men’s mental health, and we’re also supporting McAuley House, which is about family violence and helping women and children be safe,” Louise said.

Chase for Charity, part of the Off The Bench radio show which is heard on 1116 SEN and across various regional radio stations around Victoria every Saturday morning, sees hosts Craig Hutchison and Liam Pickering place bets on Victorian greyhound races each week with all winnings going to charity.

The program has raised \$170,000 for charity since it began in 2017.

GREYHOUND WELFARE AND RE-HOMING REPORT

BY DR GAVIN GOBLE BVSC, GENERAL MANAGER, GREYHOUND WELFARE AND RE-HOMING

VACCINATIONS FOR GREYHOUNDS

The Code of Practice requires all greyhounds to have a current C5 vaccination. Please speak to your veterinarian about when your greyhounds are next due for a vaccination and ensure your Kennel Cough vaccine is up to date. Just a reminder that the vaccination requirements for acceptance into GAP are more specific, so please check with GRV if you are planning to get a vaccination for this purpose. These requirements are also on the GAP page of this magazine.

In addition to recording your greyhound's vaccinations in its Greyhound Record, please also provide GRV with copies of your vaccination certificates for GRV to upload into FastTrack so there is a permanent record. This is particularly important if you are considering, or are already, breeding from your greyhound. These vaccination certificates are required to keep the Pink Card active.

Updated Breeding Exemption Application Form

GRV has undertaken a review of the Breeding Exemption Application Form which is required when a breeder wishes to breed from a female greyhound that is over 8 years of age and/or already had 3 or 4 litters. GRV has released a new form which includes Code of Practice requirements. This new form will be mandatory from 1 June 2021.

The new form replaces the two forms that were previously used (two-step submission), with a single form to be completed by both the breeder and their veterinarian (one-step submission). GRV has informed all greyhound veterinarians on the database and sent them a copy of the form.

For more information on the Breeding Exemption Application process and to download the form, please visit <https://greyhoundcare.grv.org.au/breeding/breeding-restriction-exemption-application/>.

Greyhound behaviour and racing success

The behaviour of the adult greyhound is affected by its early experiences with people, other greyhounds, dogs of other breeds and other animals, as well as a range of different environments. A greyhound's ability to confidently cope and adapt to different situations as it prepares for, and undertakes, a racing career is key to racing success. A well socialised greyhound:

- will be calmer and more relaxed in a learning (rearing, education and training) environment, as well as in the race setting;
- will interact in positive way with other greyhounds and humans; and
- will cope better in a variety of environments and situations; and

- when it comes to rehoming will recognise other breeds of dogs, particularly small dogs, as dogs and not as prey.

This Socialising greyhounds for racing success booklet provides valuable information on how to expose your greyhounds to positive experiences through socialisation and habituation. It talks about what socialisation means for racing success and what you can do to socialise greyhounds at any stage of their lifecycle.

For more information, download <https://greyhoundcare.grv.org.au/wp-content/uploads/2019/12/GRV-Socialising-for-Success-191219.pdf>

Surrendering greyhounds to a pound

Surrendering a greyhound to a council pound is a breach of the Code of Practice for the Keeping of Racing Greyhounds (Code). A council pound can either be a council-run facility or a facility run by another organisation (including a shelter) that contracts to the council.

If a participant is considering surrendering a greyhound to a shelter (i.e., not a volunteer re-homing group) they must check with that shelter and/or their local council to determine if that shelter is acting as the contracted pound to their municipality.

Current waiting times to get greyhounds into GAP are still short, so if participants do not have a new owner lined up for their greyhound, GAP is a great first re-homing option ahead of other volunteer re-homing groups.

The best way to ensure your greyhound has the easiest transition to retirement is to ensure your greyhound is well socialised with people and other breeds of dogs. For more information on retiring your greyhound visit: <https://greyhoundcare.grv.org.au/rehoming/#participants>.

FEATURED CLUB

Traralgon Greyhound Racing Club Manager Profile: Steve Clarke

Steve Clarke was born in Glasgow Scotland, travelled to Australia and took up residence in Box Hill at the tender age of 2. He grew up as a keen Carlton supporter but was recruited as a teenager to the dreaded Collingwood Magpies.

He studied Science at Melbourne and Swinburne Universities, graduating with a degree in Biophysics and Instrumental Science.

Steve spent the majority of his working life within the regulatory environment, within Victoria Police, the banking industry, and various government agencies. He's now the Track Manager at Traralgon Greyhound Club and holds an Executive position with Greyhound Clubs Victoria.

Steve grew up with greyhounds and trained his first race winner at Ballarat in 1989. He's maintained a keen interest as an owner/trainer over the past 32 years.

Steve, his wife Laurette and 2 boys live on acreage in Tooradin, where they continue to breed a small number of Greyhounds, hoping one day he will produce his own Bold Trease.

Fun Facts with Neil Brown

One greyhound in history is famous for sharing the winning spoils by way of a dead heat in not one but two feature finals. The 1992 Traralgon Cup winner Worth Backing dead heated with Tough As Tears. Then featured in the famous dead heat at Sandown in 1993 in the very first Top Gun staged, when he couldn't be separated from Gold Currency in the amazing three-way finish on a very wet November night. The Traralgon Cup has arguably the best honour roll of any Victorian Country Cup. The list of winners that have also won city Group 1's and forged great careers at stud, is as good as you will read. 1983 Drop of Wine, 1991 Malawi's Prince, 1992 Tough As Tears/ Worth Backing, 1995 Wylie Boy, 2000 Dutchy's Angel, 2001 Floodfawn, 2002 Elgrando, 2007 Meticulous, 2011 El Grand Senor, 2013 Paw Licking, 2015 Fernando Bale, 2017 Jesaulenko and 2018 Poke The Bear.

The other unusual occurrence in relation to the cup is it was run over the staying journey early on. For some reason, the committee in 1975 decided to conduct the cup over the staying distance of 730 metres after the first cup was run over 513. Jaymar's Pride recorded 45.06 in winning in 1975. In 1976 the cup was won by outstanding imported stayer Dunmain Scholar in 44.48 and in 1977 another top-class city feature winning stayer Bolt's Gift won the cup in 44.25. In fact, both Dunmain Scholar and Bolt's Gift made the final of the 1976 National Distance Championship at Angle Park, won by Bolt's Gift. The feature in those days was known as the Latrobe Valley Cup until changed in 1981.

To assist participants with re-homing their greyhounds, spaces in the pre-entry assessment sessions are booked through Racing Services during office hours on **03 8329 1100** or by emailing gapbooking@grv.org.au.

All sessions for the next 2 months are listed on this page, with later dates released each month.

To be eligible for a pre-entry assessment your greyhound must:

- have a current C5 vaccination as per the specific GAP VACCINATION REQUIREMENTS described on this page given at least 10 days before the pre-entry assessment; and
- not have been trained, trialled or raced for at least one month (preferably two months) prior to the testing day ("wind-down period"). This will increase the likelihood of your greyhound passing the temperament test. The 'Racing to Retirement' information booklet is available through Racing Services or at: greyhoundcare.grv.org.au/retirement-from-racing.

Participants may be asked to provide a good quality, well fitted wire muzzle when entering a greyhound into GAP. Note: there is no fee for greyhounds being entered into GAP.

The principles of the GRV Hot Weather Policy also apply to days when greyhounds are accepted into GAP. For days when the temperature is forecast to be 32 degrees or above, entry sessions may be subject to a time change. For days when the temperature is forecast to be 38 degrees or above, entry sessions will be cancelled. GRV will notify participants by phone as soon as possible for all session changes and cancellations. Wherever possible, GRV will endeavour to replace cancelled sessions with new sessions in the local area.

GAP VACCINATION REQUIREMENTS

Your greyhound must have had the following vaccinations:

- Parvovirus, Distemper and Hepatitis (C3) within the last 2½ years (or within the last 1 year if the last C3 was given earlier than 12 months of age); and
- Kennel Cough (both Bordetella and Parainfluenza) within the last 6 months where the Bordetella component is given as an intra-nasal or oral vaccine.

The simplest method to achieve this is an injectable C3 vaccine plus the standard intra-nasal Kennel Cough vaccine.

Note the GAP vaccination requirements are more specific than a standard injectable C5 vaccination given annually. If you or your veterinarian have any questions on these requirements, please contact GRV.
