Breeders to bask in Pink Diamond riches on record breaking night

Friday night's GRV VicBred Pink Diamond grand finale at Bendigo will be the richest night of provincial greyhound racing in Victoria's history, with **\$617,765** up for grabs including **\$80,565** in breeder bonuses.

In what has been a big boost for the sport at grassroots level, around **220** Victorian breeders have been involved in the inaugural Pink Diamond series, **87** of whom will have at least one runner across Friday's 12 prestigious finals.

Open exclusively to greyhounds bred in Victoria, the Pink Diamond series saw eight maiden semi-finals and 40 heats held across a variety of grades and distances last Thursday and Friday at Warragul, Ballarat, Shepparton and Geelong.

And many of the biggest names in the sport will partake in Friday night's bumper finals card at Bendigo, including **Ferdinand Boy, Koblenz, Aston Fastnet, Shima Shine, Aston Rupee** and **Catch The Thief** to name just a few.
