

Senior Full Stack Developer

- Join the successful and leading racing industry.
- Innovate to build a sustainable future for stakeholders.
- We are looking for a self-motivated Developer to join a growing team.
- Salary \$135,000 p.a. plus super

Greyhound Racing Victoria (GRV) is the statutory authority responsible for regulating, conducting, and promoting greyhound racing in Victoria, a sport that annually generates around \$400 million in economic activity and over \$3 billion in wagering and directly involves over 15,000 people.

Our vision is "Victorian Greyhound Racing is a vibrant, entertaining, and thriving sport with animal welfare at its heart.

GRV is committed to attracting, selecting, and retaining the best calibre of people to achieve the highest level of performance and behavioural standards required for each position. This will help GRV to professionally regulate, conduct and promote greyhound racing and welfare in Victoria with integrity and care, and to ensure an engaging, ethical, and sustainable sport.

About the Opportunity

The role will play an active role in the management of strategic IT development projects and will therefore have strong experience in both front and back-end coding. They will contribute to the planning of large and complex IT project and software releases and will have a good understanding of both project management and agile methodology.

The incumbent will also be responsible to provide mentoring and coaching to the less experienced developers, provide leadership to the team and have an advanced technical knowledge.

About You

We are looking for a passionate and engaging individual who has experience in Angular 2+ and the ability to migrate / upgrade versions. Strong knowledge in Docker images and how to deploy them to the Azure platform.

You have ability to work collaboratively with business users and technology peers to translate requirements into optimal technical designs and is passionate about continuous improvement.

Company Culture and Reward

- Competitive Salary and Benefits
- Flexible working opportunities
- Ongoing Development and Career opportunities
- Proactive health and wellbeing programs.
- Employee Assistance Program (EAP)
